AMENDMENT NO.5 TO SYSTEM PURCHASE CONTRACT

This Amendment No. 5 ("Amendment") to that certain System Purchase Contract dated as of July 1, 2009, as amended from time to time ("Original Agreement"), is entered into effective as of May 1, 2015 ("Amendment Effective Date") by and between Paciolan, LLC ("Paciolan") and The West Virginia University Board of Governors on behalf of West Virginia University, a public body politic and corporate and a political subdivision of the State of West Virginia ("Customer").

Background

Paciolan and Customer now desire to further amend and supplement the Original Agreement as specified below in order to (i) extend the term of the Original Agreement, and (ii) provide Customer with additional Software, subscription services and Professional Services.

In consideration of the foregoing and other good and valuable consideration, the receipt of which is hereby acknowledged, the parties hereto agree to amend the Original Agreement as follows.

Original Agreement Amendments

1. **Supplemental Investment Addendum.** There is hereby added to the Investment Addenda to the Original Agreement, the Supplemental Investment Addendum attached hereto as **Exhibit A.** The Supplemental Investment Addendum (i) supplements the Investment Addenda to the Original Agreement, (ii) supplements, amends and restates the fees in the Original Agreement applicable to Customer's use of the System provided under the Original Agreement, as amended by this Amendment, and (iii) restates and sets forth the Professional Services, Paciolan Software, Third Party Software and corresponding subscription services to be provided by Paciolan under the Original Agreement. Customer shall pay to Paciolan the fees set forth in the Supplemental Investment Addendum in accordance with the terms of the Original Agreement, as amended by this Amendment. The Paciolan Software, Third Party Software, subscription services and Professional Services set forth in the Supplemental Investment Addendum shall be provided in accordance with the terms and conditions of the Original Agreement, as applicable, and this Amendment. The Transaction Fees and periodic fees set forth in the Supplemental Investment Addendum supplement, amend and restate all transaction fees and all periodic fees set forth in the Original Agreement, effective as of the Amendment Effective Date. Accordingly, Customer shall pay to Paciolan the Transaction Fees and the periodic fees set forth in the Supplemental Investment Addendum in accordance with the terms of the Original Agreement, as amended by this Amendment, effective as of the Amendment Effective Date. Acceptance of the Ticketing Intelligence (TI) Software and corresponding Professional Services by Customer will be deemed to have occurred as soon as the Software is installed, implemented, tested and declared operational by Customer but no later than thirty (30) days following the first use of the TI Software by Customer, upon the occurrence of which, Customer shall provide Paciolan with a certificate of acceptance.

2. **Term.** Section 2(A) of the Original Agreement shall be amended and restated in its entirety as follows:

"The term of this Agreement shall begin on the Effective Date and continue until June 30, 2021 ("Initial Term") and shall automatically renew for subsequent five (5) year periods (each a "Renewal Term") under the then current terms unless either party notifies the other in writing at least ninety (90) days prior to end of the Initial Term or the then-applicable Renewal Term, as applicable, of its intent not to renew this Agreement for a subsequent term. The Initial Term, together with any Renewal Terms, is referred to herein as the "Term". For any Renewal Term, Paciolan shall be entitled to increase or otherwise adjust its

fees charged under this Agreement upon notice to Customer delivered at least one hundred twenty (120) days prior to the commencement of the applicable Renewal Term."

3. **Marketing Services.** Pursuant to and subject to the terms and conditions of separate agreements between Paciolan and Customer for PacSocial services ("PacSocial Agreement") and for retargeting services ("Retargeting Agreement"), Customer shall receive up to \$12,972 of PACSocial services per year (i.e. July 1-June 30) and \$15,000 of retargeting services per year, respectively, during the Term at no additional charge, as the fees for such PACSocial and retargeting services are included in the Annual Hosting Services Fee set forth in the Supplemental Investment Addendum. For the avoidance of doubt, Customer shall not be eligible to receive such PACSocial services and retargeting services, if the PACSocial Agreement and Retargeting Agreement, respectively, are not in effect. The \$12,972 of annual PACSocial services and the \$15,000 of annual retargeting services shall expire at the end of each annual period and will not carryover to the subsequent annual periods (i.e. "use it or lose it").

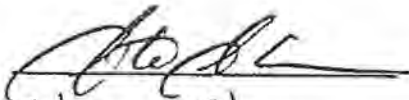

All exhibits attached hereto are incorporated herein by reference. Except as amended by this Amendment, all other terms and conditions set forth in the Original Agreement shall remain in full force and effect. If there is any conflict between the terms of this Amendment and the Original Agreement, then the terms of this Amendment shall prevail.

IN WITNESS WHEREOF, the parties have caused this Amendment to be executed and do each hereby represent that their respective signatory whose signature appears below has been and is on the Amendment Effective Date duly authorized by all necessary and appropriate corporate action to execute this Amendment.

AMENDMENT NO.3 TO SYSTEM PURCHASE CONTRACT

This Amendment No. 3 ("Amendment") to that certain System Purchase Contract dated as of July 1, 2009, as amended from time to time ("Original Agreement"), is entered into effective as of October 12, 2011 ("Amendment Effective Date") by and between Paciolan, Inc., a Delaware corporation ("Paciolan") and The West Virginia University Board of Governors on behalf of West Virginia University, a public body politic and corporate and a political subdivision of the State of West Virginia ("Customer").

Background

Under the Original Agreement, (i) Customer's non-online ticketing functions are operated under a Customer-hosted environment; and (ii) Customer's online functions are operated under a Paciolan-hosted environment.

Paciolan and Customer now desire to further amend and supplement the Original Agreement as specified below in order to (i) move Customer's back office ticketing functions to a Paciolan-hosted environment, and (ii) provide Customer with additional Rented Hardware, Paciolan Software, Third Party Software and Professional services.

In consideration of the foregoing and other good and valuable consideration, the receipt of which is hereby acknowledged, the parties hereto agree to amend the Original Agreement as follows.

Original Agreement Amendments

1. **Supplemental Investment Addendum.** There is hereby added to the Investment Addenda to the Original Agreement, the Supplemental Investment Addendum attached hereto as **Exhibit A.** The Supplemental Investment Addendum (i) supplements the Investment Addenda to the Original Agreement, (ii) supplements, amends and restates the fees in the Original Agreement applicable to Customer's use of the System provided under the Original Agreement, as amended by this Amendment, and (iii) restates and sets forth the Professional Services, Paciolan Software, Third Party Software and corresponding subscription services to be provided by Paciolan under the Original Agreement, as well as additional Rented Hardware to be provided by Paciolan. Customer shall pay to Paciolan the fees set forth in the Supplemental Investment Addendum in accordance with the terms of the Original Agreement, as amended by this Amendment. The Rented Hardware, Paciolan Software, Third Party Software, subscription services and Professional Services set forth in the Supplemental Investment Addendum shall be provided in accordance with the terms and conditions of the Original Agreement, as applicable, and this Amendment. The Rented Hardware shall be returned upon expiration of the Term. Acceptance by Customer of the Hosted Services Professional Services will be deemed to have occurred upon Conversion (as defined in Section 2 below), upon the occurrence of which, Customer shall provide Paciolan with a certificate of acceptance. The Transaction Fees and periodic fees set forth in the Supplemental Investment Addendum supplement, amend and restate all transaction fees and all periodic fees set forth in the Original Agreement, effective as of the Amendment Effective Date. Accordingly, Customer shall pay to Paciolan the Transaction Fees and the periodic fees set forth in the Supplemental Investment Addendum in accordance with the terms of the Original Agreement, as amended by this Amendment, effective as of the Amendment Effective Date.

2. **Hosted Services.** There is hereby added to the Original Agreement the additional provisions set forth on the Hosted Services Addendum attached hereto as **Exhibit B.** Paciolan shall provide to Customer the hosted services set forth on the Hosted Services Addendum. The services listed

on the Hosted Services Addendum will be provided upon completion of the conversion of Customer's current non-hosted ticketing functions to the Paciolan-hosted environment ("Conversion").

3. **Hardware.** For the avoidance of doubt, Hardware consists of Purchased Hardware and Rented Hardware. The following shall be added to Section 4 of the Original Agreement:

"In exchange for the fees set forth on the Investment Addendum (Addenda), Customer shall lease from Paciolan the Hardware, if any, set forth on the Investment Addendum ("Rented Hardware"), for use in connection with the System. For the avoidance of doubt, any Hardware not designated as "Purchased Hardware" on the Investment Addendum shall constitute Rented Hardware. In exchange for payment of such fees, during the Term, Paciolan hereby grants Customer a non-exclusive, non-transferable license to use the Hardware solely for the business purposes contemplated by this Agreement. Customer acknowledges that the Rented Hardware will be used by Customer at Customer's facilities and that Paciolan does not own, operate or control such location. Accordingly, Customer hereby assumes and shall bear the entire risk of loss and damage to the Rented Hardware, ordinary wear and tear excepted, whether or not insured against, unless occasioned by the negligence or willful misconduct of Paciolan, from any and every cause whatsoever from the date of shipment of the Rented Hardware to Customer until removal thereof following termination of this Agreement or earlier as agreed upon by the parties hereunder. No such loss or damage to the Rented Hardware shall impair any obligation of Customer under this Agreement. In the event of loss or damage of any kind to any Rented Hardware, Customer, at its sole option, shall within thirty (30) days after such loss or damage: (i) replace the same with similar property, in good repair, condition and working order to the satisfaction of Paciolan; or (ii) pay Paciolan in cash the full replacement cost of the Rented Hardware, and Paciolan shall promptly deliver, at Customer's expense, new hardware to replace the lost or damaged Rented Hardware. Customer shall, at its own expense, provide and maintain at all times during the Term hereof insurance to protect the Rented Hardware against loss caused by fire (with extended coverage), vandalism, malicious mischief, theft, or any other cause in an amount equal to the full replacement value of the Rented Hardware as determined by Paciolan. Should Customer become unable to provide or maintain such insurance coverage, Customer shall promptly notify Paciolan in writing prior to the expiration of any such coverage, and, thereafter, Paciolan shall have the right, but shall not be obligated, to provide insurance coverage for the occurrences specified above and charge Customer the costs of such insurance coverage. Customer shall provide, at its sole expense, comprehensive or commercial general liability and property damage insurance with minimum limits of \$1,000,000 per occurrence and \$2,000,000 in the aggregate for its protection and the protection of Paciolan. All insurance provided and maintained by Customer shall be in such amounts, under such forms of policies pursuant to this Section shall provide for the waiver of the insurer's right of subrogation against Customer and Paciolan. All policies of insurance shall name Paciolan as an additional insured and shall provide for at least thirty (30) days' prior written notice of cancellation, non-renewal or material modification to Paciolan. Customer shall furnish Paciolan with certificates of such insurance or other evidence satisfactory to Paciolan as to its compliance with the provisions of this Section. Customer hereby agrees that it will, whenever reasonably requested by Paciolan, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, agreements, instruments, and documents necessary or desirable, in form satisfactory to Paciolan, to protect the rights and ownership of Paciolan to and of the Rented Hardware, including but not limited to certificates from parties with a real property interest in the premises wherein the Rented Hardware may be located waiving any claim with respect to the Rented Hardware. Except as may be necessary to prevent damage to or destruction of the Rented Hardware, Customer will not move the Rented Hardware nor permit such Rented Hardware to be moved without Paciolan's prior written consent, which consent shall not be unreasonably withheld, and shall give Paciolan prompt written notice of any attachment or other judicial process affecting any item of Rented Hardware. Upon the expiration or termination of this Agreement, Customer shall return the Rented Hardware to Paciolan in good repair, condition and working order,

ordinary wear and tear resulting from proper use thereof alone excepted, and any and all licenses and other rights to the Rented Hardware shall terminate with respect to Customer. ”

4. PACMail Addendum. The PACMAIL Addendum attached hereto as Exhibit C shall be added to the Original Agreement.

assured that, by continued services to Customer, such industry self regulatory organization or other industry overseer will not restrict Paciolan from distributing emails over certain networks, blacklist Paciolan or otherwise interrupt service to or from Paciolan. Paciolan and Customer will work diligently to resolve any issues in this area to the benefit of all parties. Paciolan shall not have any right to discontinue the services hereunder if such restriction or blacklisting is a result of anything other than Paciolan's service to Customer (e.g. for Paciolan's services to its other customers, or for general trends among privacy interest groups). If during any six (6) month period, the actions or failures of Customer give rise to the right of Paciolan with respect to three (3) separate campaigns to rightfully discontinue services pursuant to this Addendum, Paciolan shall have the right to provide Customer with a non-service notice, which notice shall inform Customer that it has thirty (30) days to provide to Paciolan a written plan to remedy the failures as described above (a "Remedy Plan"). In the event that (a) Paciolan does not receive a Remedy Plan, or (b) during the ninety (90) days following receipt of the Remedy Plan another action or failure of Customer gives rise to the right of Paciolan to discontinue services with respect to Customer pursuant to this Addendum, Paciolan shall have the right to provide Customer with a non-service termination notice, which notice shall inform Customer that it has thirty (30) days from such notice to notify Paciolan of Customer election to either commence self services of the product (such self service to commence within 180 days of the notice or such other date as the parties may determine), or terminate this Addendum. In the event of termination of this Addendum pursuant to this section, Paciolan will continue to service opt-in clients of Customer 180 days from notice by Customer of its election to terminate.

6. **Indemnification.** Customer shall defend and indemnify Paciolan and its parents, subsidiaries, and their officers, directors, employees and agents and their successors and assigns (collectively, for purposes of this section, "Paciolan's Indemnitees") against, and hold Paciolan's Indemnitees harmless from, any and all claims, actions, damages, expenses (including court costs and reasonable legal fees), obligations, losses, liabilities and liens, imposed on, incurred by, or asserted against Paciolan's Indemnitees occurring as a result of, or in connection with: (i) any breach under this Addendum by Customer or any of its officers,

directors, employees and agents; (ii) use of the Services; (iii) use of the Site; or (iv) Customer's use of customer data.

7. **Termination.** Paciolan may terminate this Addendum at any time for convenience with a five (5) month advance written notice to Customer.

AGREEMENT ADDENDUM

In the event of conflict between this addendum and the agreement, this addendum shall control:

1. **DISPUTES** - Any references in the agreement to arbitration or to the jurisdiction of any court are hereby deleted. Disputes arising out of the agreement shall be presented to the West Virginia Court of Claims.
2. **HOLD HARMLESS** - Any provision requiring the Agency to indemnify or hold harmless any party is hereby deleted in its entirety.
3. **GOVERNING LAW** - The agreement shall be governed by the laws of the State of West Virginia. This provision replaces any references to any other State's governing law.
4. **TAXES** - Provisions in the agreement requiring the Agency to pay taxes are deleted. As a State entity, the Agency is exempt from Federal, State, and local taxes and will not pay taxes for any Vendor including individuals, nor will the Agency file any tax returns or reports on behalf of Vendor or any other party.
5. **PAYMENT** - Any references to prepayment are deleted. Payment will be in arrears.
6. **INTEREST** - Any provision for interest or charges on late payments is deleted. The Agency has no statutory authority to pay interest or late fees.
7. **NO WAIVER** - Any language in the agreement requiring the Agency to waive any rights, claims or defenses is hereby deleted.
8. **FISCAL YEAR FUNDING** - Service performed under the agreement may be continued in succeeding fiscal years for the term of the agreement, contingent upon funds being appropriated by the Legislature or otherwise being available for this service. In the event funds are not appropriated or otherwise available for this service, the agreement shall terminate without penalty on June 30. After that date, the agreement becomes of no effect and is null and void. However, the Agency agrees to use its best efforts to have the amounts contemplated under the agreement included in its budget. Non-appropriation or non-funding shall not be considered an event of default.
9. **STATUTE OF LIMITATION** - Any clauses limiting the time in which the Agency may bring suit against the Vendor, lessor, individual, or any other party are deleted.
10. **SIMILAR SERVICES** - Any provisions limiting the Agency's right to obtain similar services or equipment in the event of default or non-funding during the term of the agreement are hereby deleted.
11. **FEES OR COSTS** - The Agency recognizes an obligation to pay attorney's fees or costs only when assessed by a court of competent jurisdiction. Any other provision is invalid and considered null and void.
12. **ASSIGNMENT** - Notwithstanding any clause to the contrary, the Agency reserves the right to assign the agreement to another State of West Virginia agency, board or commission upon thirty (30) days written notice to the Vendor and Vendor shall obtain the written consent of Agency prior to assigning the agreement.
13. **LIMITATION OF LIABILITY** - The Agency, as a State entity, cannot agree to assume the potential liability of a Vendor. Accordingly, any provision limiting the Vendor's liability for direct damages to a certain dollar amount or to the amount of the agreement is hereby deleted. Limitations on special, incidental or consequential damages are acceptable. In addition, any limitation is null and void to the extent that it precludes any action for injury to persons or for damages to personal property.
14. **RIGHT TO TERMINATE** - Agency shall have the right to terminate the agreement upon thirty (30) days written notice to Vendor. Agency agrees to pay Vendor for services rendered or goods received prior to the effective date of termination.
15. **TERMINATION CHARGES** - Any provision requiring the Agency to pay a fixed amount or liquidated damages upon termination of the agreement is hereby deleted. The Agency may only agree to reimburse a Vendor for actual costs incurred or losses sustained during the current fiscal year due to wrongful termination by the Agency prior to the end of any current agreement term.
16. **RENEWAL** - Any reference to automatic renewal is deleted. The agreement may be renewed only upon mutual written agreement of the parties.
17. **INSURANCE** - Any provision requiring the Agency to purchase insurance for Vendor's property is deleted. The State of West Virginia is insured through the Board of Risk and Insurance Management, and will provide a certificate of property insurance upon request.
18. **RIGHT TO NOTICE** - Any provision for repossession of equipment without notice is hereby deleted. However, the Agency does recognize a right of repossession with notice.
19. **ACCELERATION** - Any reference to acceleration of payments in the event of default or non-funding is hereby deleted.
20. **CONFIDENTIALITY** - Any provision regarding confidentiality of the terms and conditions of the agreement is hereby deleted. State contracts are public records under the West Virginia Freedom of Information Act.
21. **AMENDMENTS** - All amendments, modifications, alterations or changes to the agreement shall be in writing and signed by both parties. No amendment, modification, alteration or change may be made to this addendum without the express written approval of the Purchasing Division and the Attorney General.

Acceptance by Customer of the Access Management Hardware, Software and Professional Services will be deemed to have occurred as soon as such Hardware and Software is installed, implemented, tested and declared operational by Customer but no later than thirty (30) days following the first transaction processed by such Software, upon the occurrence of either of which, Customer shall provide Paciolan with a certificate of acceptance.

2. **Term.** Section 2(A) of the Original Agreement shall be amended and restated in its entirety as follows:

"The term of this Agreement shall begin on the Effective Date and continue until June 30, 2016 ("Initial Term") and shall automatically renew for subsequent five (5) year periods (each a "Renewal Term") under the then current terms unless either party notifies the other in writing at least ninety (90) days prior to end of the Initial Term or the then-applicable Renewal Term, as applicable, of its intent not to renew this Agreement for a subsequent term. The Initial Term, together with any Renewal Terms, is referred to herein as the "Term". For any Renewal Term, Paciolan shall be entitled to increase or otherwise adjust its fees charged under this Agreement upon notice to Customer delivered at least one hundred twenty (120) days prior to the commencement of the applicable Renewal Term. In the event Customer does not accept such a fee increase or other adjustment prior to the commencement of the applicable Renewal Term, this Agreement shall terminate on the expiration date of the then-current operative period."

All exhibits attached hereto are incorporated herein by reference. Except as amended by this Amendment, all other terms and conditions set forth in the Original Agreement shall remain in full force and effect. If there is any conflict between the terms of this Amendment and the Original Agreement, then the terms of this Amendment shall prevail.

AGREEMENT ADDENDUM

In the event of conflict between this addendum and the agreement, this addendum shall control:

1. **DISPUTES** - Any references in the agreement to arbitration or to the jurisdiction of any court are hereby deleted. Disputes arising out of the agreement shall be presented to the West Virginia Court of Claims.
2. **HOLD HARMLESS** - Any clause requiring the Agency to indemnify or hold harmless any party is hereby deleted in its entirety.
3. **GOVERNING LAW** - The agreement shall be governed by the laws of the State of West Virginia. This provision replaces any references to any other State's governing law.
4. **TAXES** - Provisions in the agreement requiring the Agency to pay taxes are deleted. As a State entity, the Agency is exempt from Federal, State, and local taxes and will not pay taxes for any Vendor including individuals, nor will the Agency file any tax returns or reports on behalf of Vendor or any other party.
5. **PAYMENT** - Any references to prepayment are deleted. Payment will be in arrears.
6. **INTEREST** - Should the agreement include a provision for interest on late payments, the Agency agrees to pay the maximum legal rate under West Virginia law. All other references to interest or late charges are deleted.
7. **RECOUPMENT** - Any language in the agreement waiving the Agency's right to set-off, counterclaim, recoupment, or other defense is hereby deleted.
8. **FISCAL YEAR FUNDING** - Service performed under the agreement may be continued in succeeding fiscal years for the term of the agreement, contingent upon funds being appropriated by the Legislature or otherwise being available for this service. In the event funds are not appropriated or otherwise available for this service, the agreement shall terminate without penalty on June 30. After that date, the agreement becomes of no effect and is null and void. However, the Agency agrees to use its best efforts to have the amounts contemplated under the agreement included in its budget. Non-appropriation or non-funding shall not be considered an event of default.
9. **STATUTE OF LIMITATION** - Any clauses limiting the time in which the Agency may bring suit against the Vendor, lessor, individual, or any other party are deleted.
10. **SIMILAR SERVICES** - Any provisions limiting the Agency's right to obtain similar services or equipment in the event of default or non-funding during the term of the agreement are hereby deleted.
11. **ATTORNEY FEES** - The Agency recognizes an obligation to pay attorney's fees or costs only when assessed by a court of competent jurisdiction. Any other provision is invalid and considered null and void.
12. **ASSIGNMENT** - Notwithstanding any clause to the contrary, the Agency reserves the right to assign the agreement to another State of West Virginia agency, board or commission upon thirty (30) days written notice to the Vendor and Vendor shall obtain the written consent of Agency prior to assigning the agreement.
13. **LIMITATION OF LIABILITY** - The Agency, as a State entity, cannot agree to assume the potential liability of a Vendor. Accordingly, any provision limiting the Vendor's liability for direct damages to a certain dollar amount or to the amount of the agreement is hereby deleted. Limitations on special, incidental or consequential damages are acceptable. In addition, any limitation is null and void to the extent that it precludes any action for injury to persons or for damages to personal property.
14. **RIGHT TO TERMINATE** - Agency shall have the right to terminate the agreement upon thirty (30) days written notice to Vendor. Agency agrees to pay Vendor for services rendered or goods received prior to the effective date of termination.
15. **TERMINATION CHARGES** - Any provision requiring the Agency to pay a fixed amount or liquidated damages upon termination of the agreement is hereby deleted. The Agency may only agree to reimburse a Vendor for actual costs incurred or losses sustained during the current fiscal year due to wrongful termination by the Agency prior to the end of any current agreement term.
16. **RENEWAL** - Any reference to automatic renewal is hereby deleted. The agreement may be renewed only upon mutual written agreement of the parties.
17. **INSURANCE** - Any provision requiring the Agency to insure equipment or property of any kind and name the Vendor as beneficiary or as an additional insured is hereby deleted.
18. **RIGHT TO NOTICE** - Any provision for repossession of equipment without notice is hereby deleted. However, the Agency does recognize a right of repossession with notice.
19. **ACCELERATION** - Any reference to acceleration of payments in the event of default or non-funding is hereby deleted.
20. **CONFIDENTIALITY** - Any provision regarding confidentiality of the terms and conditions of the agreement is hereby deleted. State contracts are public records under the West Virginia Freedom of Information Act.

AGREEMENT ADDENDUM

In the event of conflict between this addendum and the agreement, this addendum shall control:

1. **DISPUTES** - Any references in the agreement to arbitration or to the jurisdiction of any court are hereby deleted. Disputes arising out of the agreement shall be presented to the West Virginia Court of Claims.
2. **HOLD HARMLESS** - Any clause requiring the Agency to indemnify or hold harmless any party is hereby deleted in its entirety.
3. **GOVERNING LAW** - The agreement shall be governed by the laws of the State of West Virginia. This provision replaces any references to any other State's governing law.
4. **TAXES** - Provisions in the agreement requiring the Agency to pay taxes are deleted. As a State entity, the Agency is exempt from Federal, State, and local taxes and will not pay taxes for any Vendor including individuals, nor will the Agency file any tax returns or reports on behalf of Vendor or any other party.
5. **PAYMENT** - Any references to prepayment are deleted. Payment will be in arrears.
6. **INTEREST** - Should the agreement include a provision for interest on late payments, the Agency agrees to pay the maximum legal rate under West Virginia law. All other references to interest or late charges are deleted.
7. **RECOUPMENT** - Any language in the agreement waiving the Agency's right to set-off, counterclaim, recoupment, or other defense is hereby deleted.
8. **FISCAL YEAR FUNDING** - Service performed under the agreement may be continued in succeeding fiscal years for the term of the agreement, contingent upon funds being appropriated by the Legislature or otherwise being available for this service. In the event funds are not appropriated or otherwise available for this service, the agreement shall terminate without penalty on June 30. After that date, the agreement becomes of no effect and is null and void. However, the Agency agrees to use its best efforts to have the amounts contemplated under the agreement included in its budget. Non-appropriation or non-funding shall not be considered an event of default.
9. **STATUTE OF LIMITATION** - Any clauses limiting the time in which the Agency may bring suit against the Vendor, lessor, individual, or any other party are deleted.
10. **SIMILAR SERVICES** - Any provisions limiting the Agency's right to obtain similar services or equipment in the event of default or non-funding during the term of the agreement are hereby deleted.
11. **ATTORNEY FEES** - The Agency recognizes an obligation to pay attorney's fees or costs only when assessed by a court of competent jurisdiction. Any other provision is invalid and considered null and void.
12. **ASSIGNMENT** - Notwithstanding any clause to the contrary, the Agency reserves the right to assign the agreement to another State of West Virginia agency, board or commission upon thirty (30) days written notice to the Vendor and Vendor shall obtain the written consent of Agency prior to assigning the agreement.
13. **LIMITATION OF LIABILITY** - The Agency, as a State entity, cannot agree to assume the potential liability of a Vendor. Accordingly, any provision limiting the Vendor's liability for direct damages to a certain dollar amount or to the amount of the agreement is hereby deleted. Limitations on special, incidental or consequential damages are acceptable. In addition, any limitation is null and void to the extent that it precludes any action for injury to persons or for damages to personal property.
14. **RIGHT TO TERMINATE** - Agency shall have the right to terminate the agreement upon thirty (30) days written notice to Vendor. Agency agrees to pay Vendor for services rendered or goods received prior to the effective date of termination.
15. **TERMINATION CHARGES** - Any provision requiring the Agency to pay a fixed amount or liquidated damages upon termination of the agreement is hereby deleted. The Agency may only agree to reimburse a Vendor for actual costs incurred or losses sustained during the current fiscal year due to wrongful termination by the Agency prior to the end of any current agreement term.
16. **RENEWAL** - Any reference to automatic renewal is hereby deleted. The agreement may be renewed only upon mutual written agreement of the parties.
17. **INSURANCE** - Any provision requiring the Agency to insure equipment or property of any kind and name the Vendor as beneficiary or as an additional insured is hereby deleted.
18. **RIGHT TO NOTICE** - Any provision for repossession of equipment without notice is hereby deleted. However, the Agency does recognize a right of repossession with notice.
19. **ACCELERATION** - Any reference to acceleration of payments in the event of default or non-funding is hereby deleted.
20. **CONFIDENTIALITY** - Any provision regarding confidentiality of the terms and conditions of the agreement is hereby deleted. State contracts are public records under the West Virginia Freedom of Information Act.
21. **AMENDMENTS** - All amendments, modifications, alterations or changes to the agreement shall be in writing and signed by both parties. No amendment, modification, alteration or change may be made to this addendum without the express written approval of the Purchasing Division and the Attorney General.

AGREEMENT ADDENDUM

In the event of conflict between this addendum and the agreement, this addendum shall control:

1. **ARBITRATION** - Any references to arbitration contained in the agreement are hereby deleted. Disputes arising out of the agreement shall be presented to the West Virginia Court of Claims.
2. **HOLD HARMLESS** - Any clause requiring the Agency to indemnify or hold harmless any party is hereby deleted in its entirety.
3. **GOVERNING LAW** - The agreement shall be governed by the laws of the State of West Virginia. This provision replaces any references to any other State's governing law.
4. **TAXES** - Provisions in the agreement requiring the Agency to pay taxes are deleted. As a State entity, the Agency is exempt from Federal, State, and local taxes and will not pay taxes for any Vendor including individuals, nor will the Agency file any tax returns or reports on behalf of Vendor or any other party.
5. **PAYMENT** - Any references to prepayment are deleted. Payment will be in arrears.
6. **INTEREST** - Should the agreement include a provision for interest on late payments, the Agency agrees to pay the maximum legal rate under West Virginia law. All other references to interest or late charges are deleted.
7. **RECOUPMENT** - Any language in the agreement waiving the Agency's right to set-off, counterclaim, recoupment, or other defense is hereby deleted.
8. **FISCAL YEAR FUNDING** - Service performed under the agreement may be continued in succeeding fiscal years for the term of the agreement, contingent upon funds being appropriated by the Legislature or otherwise being available for this service. In the event funds are not appropriated or otherwise available for this service, the agreement shall terminate without penalty on June 30. After that date, the agreement becomes of no effect and is null and void. However, the Agency agrees to use its best efforts to have the amounts contemplated under the agreement included in its budget. Non-appropriation or non-funding shall not be considered an event of default.
9. **STATUTE OF LIMITATION** - Any clauses limiting the time in which the Agency may bring suit against the Vendor, lessor, individual, or any other party are deleted.
10. **SIMILAR SERVICES** - Any provisions limiting the Agency's right to obtain similar services or equipment in the event of default or non-funding during the term of the agreement are hereby deleted.
11. **ATTORNEY FEES** - The Agency recognizes an obligation to pay attorney's fees or costs only when assessed by a court of competent jurisdiction. Any other provision is invalid and considered null and void.
12. **ASSIGNMENT** - Notwithstanding any clause to the contrary, the Agency reserves the right to assign the agreement to another State of West Virginia agency, board or commission upon thirty (30) days written notice to the Vendor and Vendor shall obtain the written consent of Agency prior to assigning the agreement.
13. **LIMITATION OF LIABILITY** - The Agency, as a State entity, cannot agree to assume the potential liability of a Vendor. Accordingly, any provision limiting the Vendor's liability for direct damages or limiting the Vendor's liability under a warranty to a certain dollar amount or to the amount of the agreement is hereby deleted. In addition, any limitation is null and void to the extent that it precludes any action for injury to persons or for damages to personal property.
14. **RIGHT TO TERMINATE** - Agency shall have the right to terminate the agreement upon thirty (30) days written notice to Vendor.
15. **TERMINATION CHARGES** - Any provision requiring the Agency to pay a fixed amount or liquidated damages upon termination of the agreement is hereby deleted. The Agency may only agree to reimburse a Vendor for actual costs incurred or losses sustained during the current fiscal year due to wrongful termination by the Agency prior to the end of any current agreement term.
16. **RENEWAL** - Any reference to automatic renewal is hereby deleted. The agreement may be renewed only upon mutual written agreement of the parties.
17. **INSURANCE** - Any provision requiring the Agency to insure equipment or property of any kind and name the Vendor as beneficiary or as an additional insured is hereby deleted.
18. **RIGHT TO NOTICE** - Any provision for repossession of equipment without notice is hereby deleted. However, the Agency does recognize a right of repossession with notice.
19. **ACCELERATION** - Any reference to acceleration of payments in the event of default or non-funding is hereby deleted.
20. **AMENDMENTS** - All amendments, modifications, alterations or changes to the agreement shall be in writing and signed by both parties. Exhibit A
Additional Terms

1. The section entitled "Term" in the e.Venue Addendum is hereby replaced in its entirety with the following:

Term and Termination

The term of this Agreement shall continue through June 30, 2010 ("Initial Term") and shall automatically renew for subsequent three year (3) year periods (each, a "Renewal Term") unless either party notifies the other in writing at least one hundred twenty (120) days prior to end of the Initial Term or the then-applicable Renewal Term, as applicable, of its intent not to renew this Agreement for a subsequent term. The Initial Term, together with any Renewal Terms, is referred to herein as the "Term". For any Renewal Period, Paciolan shall be entitled to increase or otherwise adjust its fees charged under this Agreement upon notice to Customer delivered prior to the commencement of the applicable Renewal Period. In the event Customer does not accept such a fee increase or other adjustment prior to the commencement of the applicable Renewal Term, this Agreement shall terminate on the expiration date of the then-current operative period.

Each party shall have the right to notify the other party of its intent to terminate this Agreement, and/or any related services being provided by Paciolan to Customer, prior to the stated expiration date of this Agreement in the event that the other party commits a material breach of the Agreement or related service addendum and fails to cure such breach within thirty days following its receipt of written notice of such breach from the non-breaching party. Such termination shall become effective on the thirtieth day following the date of the written notice of breach unless an extension to cure has previously been granted, has been granted, in which case the Agreement shall terminate effective as of the date stated in the extension notice if the breach has not been cured to the non-breaching party's satisfaction.

Exclusive Use

During the Term, Customer agrees to use the Paciolan software and services provided under this Agreement as its exclusive source for selling tickets, supporting the sale and resale of, tickets, and tracking and authenticating tickets sold to any Event scheduled or presented by Customer and made available generally to the public, via any and all means and methods, including, but not limited to, telephone, computer, Internet, and outlet.

2. The following new section is hereby added to the Master Agreement:

Confidentiality

Each party acknowledges that by reason of its relationship to the other party under this Agreement it may have access to Confidential Information of the other

party of special and unique nature and value. Each party agrees to maintain in confidence and use only as expressly permitted in this Agreement all Confidential Information received from the other, both orally and in writing. Each party shall protect the other party's Confidential Information with at least the same level of protection used with respect to its own confidential information but in no event less than reasonable care. For the purposes of this Agreement, the term "Confidential Information" means (i) for Paciolan, any Paciolan proposals, RFPs or bids, the Software, the terms of this Agreement, and any other non-public or proprietary information or materials; (ii) for Customer, any private, personally identifiable financial or credit information pertaining to Customer's end-users, Customer's banking information, the terms of this Agreement, and any other non-public or proprietary information or materials; provided, that Confidential Information shall not include information the receiving party can demonstrate (i) is or becomes a matter of public knowledge through no fault of the receiving party, (ii) was rightfully in the receiving party's possession, without obligation of confidentiality, prior to disclosure by the disclosing party, as evidenced by written records of the receiving party, (iii) subsequent to disclosure, is rightfully obtained by the receiving party from a third party in lawful possession of such Confidential Information, as evidenced by written records of the receiving party, without obligation of confidentiality, (iv) is independently developed by the receiving party without reference to or use of such Confidential Information, or (v) is required to be disclosed by law. Each party agrees to treat the terms of this Agreement as the Confidential Information of the other party. If either party is confronted with legal action to disclose any portion of the other party's Confidential Information, that party shall promptly notify and assist the other (at the other party's expense) in obtaining a protective order or other similar order, and shall thereafter disclose only the minimum of the other party's Confidential Information that is required to be disclosed in order to comply with the legal action, whether or not a protective order or other order has been obtained. Customer shall not disclose the results of any benchmark tests of the Paciolan Software to any third party without Paciolan's prior written approval. Notwithstanding the foregoing, Paciolan may disclose the terms of this Agreement to its accountants, attorneys and potential investors, acquirers and financing partners who have agreed in writing to receive it under terms at least as restrictive as those specified in this Agreement.

3. The following new section is hereby added to the Master Agreement:

Customer Data

All data pertaining to Customer and its end-users shall be Confidential Information. All such data shall be and will remain the property of Customer, and Paciolan shall, at no expense to Customer, provide Customer with reasonable access to any such data. Paciolan shall exercise commercially reasonable care for the protection of such data and shall maintain reasonable data integrity safeguards against the loss or corruption of such data. Promptly after the expiration or termination of this Agreement, Paciolan will, at Customer's direction, submit to Customer all data and files pertaining to Customer and its end-users in Paciolan's then standard format and media.

4. The following new section is hereby added to the Master Agreement:

Data Accounts

The use of the Paciolan Software is limited to the processing of one Data Account per licensed Paciolan Software module. Application of the Paciolan Software to the processing of further Data Accounts requires an amendment to this Agreement for each such usage. As used herein, "Data Account" means the database that contains, among other things, records of ticketing transactions and patron data (other than debit and credit card data or any data prohibited from being transferred to third parties without express consumer consent to do so), event schedules, and seating information.

6. The following new section is hereby added to the Master Agreement:

Upgrades

Customer agrees to upgrade any licensed versions of Paciolan or Third Party Software which are designated by Paciolan as superseded within one year following receipt of written notice that such Paciolan or Third Party Software version is superseded and will no longer be supported by Paciolan.

7. **e.Check Addendum (only applicable if Customer is using e.Check).**

The e.Venue Addendum is hereby amended to include the following new sections:

Electronic Transfer of Funds. Customer hereby appoints Paciolan (and Paciolan hereby accepts appointment from Customer) as its agent to make direct debits from individuals and entities that have agreed to purchase goods and services from Customer (each, an "Electronic Payment Consumer") and to make corresponding credits to Customer for such goods and services. Customer will, and Paciolan will assist Customer to, submit data in the form required for the electronic debiting from each Electronic Payment Consumer's bank deposit account. Customer and Paciolan will configure the e.Venue Software to obtain from each Electronic Payment Consumer all necessary information in proper form authorizing access to such Electronic Payment Consumer's bank account to transfer payment amounts to Customer's bank deposit account. Customer agrees to use commercially reasonable efforts to ensure that all data and entries submitted by the Electronic Payment Consumer are submitted to the applicable automated clearinghouse in correct form in a timely manner. Customer acknowledges that the applicable automated clearinghouse rules make provisional any credit given for an entry to an account until the financial institution crediting the account specified in the entry receives final settlement. If Customer's financial institution does not receive final settlement from Electronic Payment Customer's financial institution within five business days after Paciolan debits Electronic Payment Customer's account for such amount, Electronic Payment Consumer's financial institution is entitled to a refund from Customer and Electronic Payment Consumer shall not be deemed to have paid Customer for any such goods and services. The Paciolan System will maintain electronic records that are compliant with applicable automated clearing house rules for automated clearing house entries, and Customer agrees to retain the

electronic records for two (2) years after completion or revocation of such transaction.

Compliance with Law. Each party hereto agrees to comply with all laws, rules and regulations (whether federal, state or local, as well as any federal or regional automated clearing house rules) applicable to automatic and electronic transfers of funds, including, without limitation, laws, regulations and rules governing correct authorizations by consumers, disclosures and notices required in connection with electronic funds transfers, and all necessary waivers and releases.

Invoices are due and payable on receipt and will be past due if Paciolan does not receive full payment within a period of ten (10) days from date of the invoice. Failure to remit the full amount during this period will entitle Paciolan to collect interest. Late payments shall bear interest on the unpaid amount due at one and one-half percent (1.5%) per month or the maximum allowed by law, which ever is the lower. Any dispute of an amount invoiced must be reported to Paciolan within five (5) working days from Customer's receipt of the invoice.

2. **HOLD HARMLESS** - Any clause requiring the Agency to indemnify or hold harmless any party is hereby deleted in its entirety.
3. **GOVERNING LAW** - The agreement shall be governed by the laws of the State of West Virginia. This provision replaces any references to any other State's governing law.
4. **TAXES** - Provisions in the agreement requiring the Agency to pay taxes are deleted. 5. **PAYMENT** - Any references to prepayment are deleted. Payment will be in arrears.
6. **INTEREST** - Should the agreement include a provision for interest on late payments, the Agency agrees to pay the maximum legal rate under West Virginia law. All other references to interest or late charges are deleted.

8. **FISCAL YEAR FUNDING** - Service performed under the agreement may be continued in succeeding fiscal years for the term of the agreement, contingent upon funds being appropriated by the Legislature or otherwise being available for this service. After that date, the agreement becomes of no effect and is null and void. However, the Agency agrees to use its best efforts to have the amounts contemplated under the agreement included in its budget. Accordingly, any provision limiting the Vendor's liability for direct damages or limiting the Vendor's liability under a warranty to a certain dollar amount or to the amount of the agreement is hereby deleted. In addition, any limitation is null and void to the extent that it precludes any action for injury to persons or for damages to personal property.

Should at the end of this period the total Service Fees paid by Customer to Paciolan be less than the amount of the Minimum Initial Fee, Paciolan will invoice Customer, and Customer shall immediately pay to Paciolan, the balance remaining after subtracting the actual Service Fees paid to Paciolan during the period from the Minimum Initial Fee amount.

In addition, Customer will guarantee to Paciolan the minimum annual service fee (the Minimum Annual Fee) specified in the Investment Analysis attached herein. The initial Minimum Annual Fee period will begin on July 1, 2001 and end on June 30 and subsequent periods will begin and end on the anniversary of those dates for the remaining term of this Agreement. Should at the end of each annual period the total Service Fees paid by Customer to Paciolan be less than the amount of the Minimum Annual Fee, Paciolan will invoice Customer, and Customer shall immediately pay to Paciolan, the balance remaining after subtracting the actual Service Fees paid to Paciolan during the period from the Minimum Annual Fee amount.

In the event that this agreement is terminated during an annual period, the Minimum Annual Fee will be prorated based on the number of days elapsed in the period prior to the date of termination.

3. Exclusive Use. During the term of this Agreement, Customer agrees to use e.Venue as its exclusive method of ticket inventory allocation or transfer to third parties and e.Venue and IBM Net.Commerce or such other Internet Commerce product that Paciolan may designate, as its exclusive Internet commerce system for ticket sales to the public or other third parties.

Paciolan shall have the right to continuously display the service and/or trademark and notice on The Web Site for the term of this Agreement. This service mark will be similar in form to the Paciolan e.Venue logo attached as an exhibit to this Agreement. This form will have an embedded link that when activated by mouse or keyboard action will open and display to the user a Paciolan site. Paciolan will take reasonable measures to ensure that the service mark and copyright notice do not detract from the overall aesthetics of the Web Site.
5. Term. Customer shall have the right to use the Software until June 30, 2006. This right will automatically be renewed for one year at that time and on June 30th of each subsequent year or until either party gives written notice of its intention to terminate this Agreement. Such notice will be provided 60 days in advance of the date of termination. Paciolan will have the right to modify its fees for the next contract period by giving written notice of such changes at least 60 days prior to the Agreement renewal date.

If CUSTOMER is tax exempt, a copy of CUSTOMER's certificate of exemption should be returned to PSI with the signed purchase contract.

Defense Against Claims

CUSTOMER should notify PSI promptly in writing of any claim brought against CUSTOMER based on the contention that the usage by CUSTOMER of any component of the SYSTEM constitutes a property violation. Given such notification, and given complete authority, full information, and active assistance by CUSTOMER, PSI will defend against such claims at its own expense, and should any such claim succeed, then:

- (a) If any penalties are awarded against CUSTOMER, then PSI will reimburse CUSTOMER for these costs in full, and
- (b) If the judgment enjoins CUSTOMER from using any component of the SYSTEM, then PSI will resolve the issue by modifying or replacing the component, or, if that is not possible, by removing the component and reimbursing CUSTOMER for the component's purchase price.

PSI will not be liable for claims based on usage of any component of the SYSTEM involving either interconnection with any components not obtained from or approved by PSI, or applications not approved by PSI.

Limitation of Liability

PSI does not imply any guarantee not expressly stated in this contract. PSI is not liable for any indirect, special, or consequential damages arising out of the use of any of the components or services covered by this contract.

CUSTOMER's acceptance of the SYSTEM does not nullify guarantees made by PSI in the Hardware, Software and Services or Operating Environment Addenda.

Maintenance and Support

Upon SYSTEM installation by PSI, CUSTOMER should enter into a Software Support and Services Contract with PSI.

For any services requested by CUSTOMER but not provided in the PSI Software Support and Services Contract, CUSTOMER will be responsible to contract with PSI on a time-and-materials basis or to secure the necessary support services through appropriate third-party organizations.

If requested by CUSTOMER, PSI agrees to provide an annual review of CUSTOMER's use of the SYSTEM on or about the anniversary date of the contract. This service shall be administered as an additional chargeable item.

Future Purchases

The terms of this contract will apply to any future purchases from PSI which augment the hardware and software set forth in the Investment Addendum unless explicitly excluded by agreement of CUSTOMER and PSI.

Hardware Addendum

The subject of this addendum is the purchase from PSI by CUSTOMER of computer hardware obtained by PSI from its manufacturer (referred to as "MANUFACTURER").

Hardware Components

A complete list of the components which constitute the hardware purchased under this contract is included in the Investment Addendum.

Ownership

The hardware (exclusive of any operating system firmware contained therein) will become the property of CUSTOMER as soon as CUSTOMER has made full payment to PSI of the amount stated in the Hardware section of the Investment Addendum. Prior to full payment being made, the hardware remains the property of PSI.

In the event of payment default, CUSTOMER agrees to return to PSI sufficient hardware to cover, at the listed prices, 100% of the unpaid balance plus a 30% restocking fee, with any delivered hardware remaining becoming the property of CUSTOMER. The return of hardware, the restocking fee together with any payments already made, constitute the full extent of CUSTOMER's liability for default.

The risk of loss or damage of the hardware will become the responsibility of CUSTOMER immediately upon delivery and installation at CUSTOMER's site, regardless of whether the hardware has been paid for at that time.

Guarantee

PSI guarantees that the hardware will perform in accordance with MANUFACTURER's specifications at the time of delivery and installation by PSI. Copies of the MANUFACTURER's specifications and warranties, to the extent applicable, will be supplied with shipment of the products.

Delivery

The hardware will be shipped by PSI to CUSTOMER, freight prepaid, in accordance with a mutually agreeable delivery schedule. The address of the site to which the hardware is to be delivered is:

West Virginia University
Intercollegiate Athletics Coliseum
Morgantown, WV 26507
Attn: John Twining

Installation

Installation of the hardware at CUSTOMER's site will be performed by representatives of PSI who may also be accompanied by MANUFACTURER's representative. Every reasonable effort will be made to minimize disruption of CUSTOMER's normal operation. Prior to the scheduled date of delivery, CUSTOMER, at its expense, will prepare the site so that all facilities, including space, electrical power, air conditioning, and cabling, are in accordance with installation specifications mutually agreed to by PSI and CUSTOMER.

Training

PSI's base recommendations for hardware training are included in the Applications Software and Services Addendum. PSI agrees to make available for purchase by CUSTOMER additional training in the use of the hardware. While it is usually found convenient to have this training at CUSTOMER's site after delivery of the hardware, the location and schedule can be arranged to be whatever is suitable to both PSI and CUSTOMER. The training need not take place in one continuous session and should proceed according to an agenda agreed to by both PSI and CUSTOMER.

Applications Software and Services Addendum

The subject of this addendum is the usage of applications software and services which are being made available to CUSTOMER by PSI.

Applications Software and Services

A complete list of the items that constitute the Applications Software, and the Services, is included in the Investment Addendum.

Installation

Applications software will be installed on CUSTOMER's hardware at PSI before being shipped to CUSTOMER.

Ownership

The Applications software, which includes both the system design and the programs which realize that design, is the property of PSI. PSI retains the sole right for licensing of this software. CUSTOMER's right is the use of the software provided that it complies with the terms of this contract and abides by the limitations specified below. This right of use of the software is nonexclusive and nontransferable and is limited to the computer specified in this contract, and cannot be copied or duplicated or modified in any way without the express written permission of PSI, and is restricted to processing one database and only for the CUSTOMER's own business. The usage of the software will not subject CUSTOMER to any charges except as provided herein, and will not expose CUSTOMER to liability for violations of copyrights or patents.

PSI agrees that the data to which the software is to be applied during CUSTOMER's usage is the property of CUSTOMER and agrees neither to make use of this data nor to transfer it to any other party without CUSTOMER's written consent.

Guarantee

PSI guarantees that the applications software performs with at least the functionality specified in the design specifications published by PSI. This is a minimum requirement; the software may exceed those specifications. The guarantee holds for the duration of CUSTOMER's use of the software under this contract provided CUSTOMER maintains the hardware per MANUFACTURER's specifications furnished upon delivery. This guarantee does not cover loss of function due to any changes of hardware, operating system, or software made by any person other than PSI.

Limitation On Use

The Applications software is licensed for use on a specific computer. The serial number of this computer will be designated in writing at a later time by the parties. The use of the software by CUSTOMER is limited to the processing on such computer of a single database per software module, as specified in the Software Schedule, at a single operational site. An operational site is defined as any number of people operating a software system at a specific location. Application of the software to the processing of further databases requires an addendum to this contract with PSI for each such usage.

Termination

The Applications Software and Services Addendum of this contract may be terminated by PSI if CUSTOMER defaults on any of its terms. PSI must notify CUSTOMER in writing and CUSTOMER shall have 30 days from receipt of such notification to cure the default. Upon termination, CUSTOMER will return to PSI all copies of the software and its documentation which exist on media owned by PSI, and PSI will erase or destroy all copies of the software and its documentation which exist on media belonging to CUSTOMER. If the default is by PSI, CUSTOMER must notify PSI in writing and PSI shall have 30 days from receipt of such notification to cure the default. PSI will refund to CUSTOMER any payments already made less reasonable compensation to PSI based on fair value for use of software and for services rendered under this contract.

Environment

The Applications software is designed to run in a specific operating environment as defined in the Operating Environment Addendum, and detailed in the Investment Addendum. PSI will neither support its use nor guarantee its functionality in any other environment.

Source Code

Delivered with each applications software module will be one copy of the object code and one copy of the source code. Also delivered will be one copy of the user's manual for each PSI software module listed in the Investment Addendum.

Unauthorized Access

The use of the Applications software may not be transferred from CUSTOMER to any other party without written permission from PSI. Should any unauthorized transfer take place, CUSTOMER agrees to take full responsibility for terminating the unauthorized usage. CUSTOMER agrees that all of its contractors or employees who have access to the software or its documentation should read and sign the Software Usage Notice provided by PSI and that copies of all such signed notices should be made available to PSI upon request.

Enhancements

Periodically, PSI incorporates enhancements to the software which are available at no charge to customers contracting with PSI for software maintenance. For customers not under full software maintenance, enhancements are made available at rates determined by PSI. This may, but not necessarily, apply to system rewrites where significant functionality is being added to the system.

Custom Data Conversion

PSI offers custom data conversion programming at fixed and estimated pricing based on the criteria detailed in PSI's Services Policies document, attached as an Exhibit.

Training/Consultation/Project Management/Network Connect Service

When applicable, included as part of this contract (but separate from the software license fee) are the costs for training, on-site consultation services, project management, and the network connect service as detailed in the Applications Software section of the Investment Addendum.

As part of the training services, PSI will provide CUSTOMER with system consultation concerning their specific use of the PSI software, design specifications, standard system training for all operators, training of the systems administrator, and comprehensive documentation services (including progress reports, trip follow-ups, and CUSTOMER assistance with their in-house procedures manual relating to the system).

The project management fee covers general project management pertaining to all aspects of the system implementation and is headed by a Senior Systems Analyst. These services may be performed either on or off CUSTOMER site as detailed in the Applications Software section of the Investment Addendum.

Additional on-site consultation and training visits by PSI personnel are available at PSI's published per diem rates. In addition, CUSTOMER may attend training courses at PSI's office at times and rates periodically published. While it is usually found convenient to have this training at CUSTOMER's site after delivery of the software, the location and schedule can be arranged to be whatever is suitable to both PSI and CUSTOMER. The training will not typically take place in one continuous session, but rather will follow an agenda agreed to by PSI and CUSTOMER.

The network connect service, if purchased, provides assistance connecting the SYSTEM to CUSTOMER's TCP/IP network.

Services Policies

Attached as an Exhibit and incorporated herein are PSI's Services Policies. These policies detail the services provided during the installation and ongoing support of CUSTOMER's SYSTEM.

Operating Environment Addendum

The subject of this addendum is the purchase and usage by CUSTOMER of the products that comprise PSI's operating environment.

Operating Environment Products

A complete list of the items that make up the Operating Environment Products is included in the Investment Addendum.

Right of Use

The AIX operating system, the UniVerse database management system, and the SB+ 4GL (in common called The PRODUCTS) are the property of their respective Developers, IBM Corporation (AIX), Ardent (UniVerse), and Ardent (System Builder). CUSTOMER's right is in the use of the PRODUCTS provided it complies with and abides by the terms of this contract and the limitations specified by the PRODUCTS' Developers. The right of use is both nonexclusive and nontransferable and is limited to the computer specified in this contract or a PSI approved replacement computer. CUSTOMER agrees to take reasonable steps to safeguard the PRODUCTS from persons other than its own contractors or employees, and to instruct its contractors and employees on the proprietary nature of the PRODUCTS.

The licenses will become effective as soon as CUSTOMER enters into a sublicense agreement covering such use with PSI or the PRODUCTS' Developers.

The use of the PRODUCTS will not subject CUSTOMER to any charges not specified in this contract.

Limitation on Use

The PRODUCTS are licensed for use on a specific computer or replacement computer approved by PSI and meeting PSI's operations specifications, which approval shall not be unreasonably withheld. The serial number of this computer will be designated in writing at a later time by the parties. Transfer to and usage on any other computer requires renegotiation of the license agreement with PSI and/or the PRODUCTS' Developers.

Environment

The PRODUCTS consist of both a software component, delivered on standard backup media, and in the case of AIX a firmware component, contained within the hardware. The PRODUCTS are not available nor are they guaranteed to function on hardware which is not explicitly approved by PSI.

Guarantee

PSI guarantees that the PRODUCTS will perform in accordance with their Developer's specifications at the time of delivery and installation and will perform their intended functions with PSI's software and PSI supplied hardware at the time of installation and acceptance at CUSTOMER's site. Upon acceptance, the Developer's warranty becomes applicable.

Installation

Installation of the PRODUCTS will be performed prior to delivery to CUSTOMER.

Training/Consultation

The training schedule set forth in the Investment Addendum includes training in the use of the PRODUCTS sufficient for CUSTOMER to begin use of the SYSTEM. PSI agrees to make available for purchase by CUSTOMER additional consultation and training in the use of the PRODUCTS. While it is usually found convenient to have this training at CUSTOMER's site after delivery of the hardware, the location and schedule can be arranged to be whatever is suitable to both PSI and CUSTOMER. The training need not take place in one continuous session, and should proceed according to an agenda agreed to by PSI and CUSTOMER.

Sublicense Agreement

The PRODUCTS sublicense agreement for AIX and UniVerse are granted with the signing of this agreement.

The sublicense for SB+ will follow under separate cover. It is the responsibility of the CUSTOMER to sign the SB+ agreement and return it to PSI immediately upon receipt. Failure to do so may result in delays in shipping and future access to SB+ system upgrades.

Termination

Upon termination of CUSTOMER's use of the computer specified in this contract, CUSTOMER agrees to erase or destroy all copies of the PRODUCTS and its documentation which exist on media owned by PSI, and PSI agrees to erase or destroy all copies which exist on media belonging to CUSTOMER.

Software Usage Notice

The institution for which you work has contracted with Paciolan Systems, Inc. for the use of its software. This notice is provided to assist you in understanding the terms of that usage. By signing below, you are acknowledging that you are aware of those terms and that you agree to honor them.

The institution owns the use of the software, not the software itself, and has the right to use the software indefinitely in the processing of one or more specified databases covered in its contract with PSI. Neither the institution nor any of its contractors or employees has the right to transfer any of the rights covered by that contract to any other party without permission from PSI. Specifically, this prohibition includes, but is not limited to transfer of:

- (a) physical copies of the software or its design specifications or user manual, for example on listings, tapes, or other media.
- (b) the use of the software, for example by allowing an unauthorized person access to a terminal or telephone modem.
- (c) the ideas incorporated into the design and construction of the software, for example by explaining to a competitor of PSI how PSI has solved some problem or implemented some features.

It is in the interests of PSI and your institution that their relationship should be a productive one based on mutual respect for each other's property, and it is for this reason that the property boundaries should be understood by everyone concerned.

As a State entity, the Agency is exempt from Federal, State, and local taxes and will not pay taxes for any Vendor including individuals, nor will the Agency file any tax returns or reports on behalf of Vendor or any other party.
5. **PAYMENT** - Any references to prepayment are deleted. Payment will be in arrears.
6. **INTEREST** - Should the agreement include a provision for interest on late payments, the Agency agrees to pay the maximum legal rate under West Virginia law. All other references to interest or late charges are deleted.
7. **RECOUPMENT** - Any language in the agreement waiving the Agency's right to set-off, counterclaim, recoupment, or other defense is hereby deleted.
8. **FISCAL YEAR FUNDING** - Service performed under the agreement may be continued in succeeding fiscal years for the term of the agreement, contingent upon funds being appropriated by the Legislature or otherwise being available for this service. In the event funds are not appropriated or otherwise available for this service, the agreement shall terminate without penalty on June 30. After that date, the agreement becomes of no effect and is null and void. However, the Agency agrees to use its best efforts to have the amounts contemplated under the agreement included in its budget. Non-appropriation or non-funding shall not be considered an event of default.
9. **STATUTE OF LIMITATION** - Any clauses limiting the time in which the Agency may bring suit against the Vendor, lessor, individual, or any other party are deleted.
10. **SIMILAR SERVICES** - Any provisions limiting the Agency's right to obtain similar services or equipment in the event of default or non-funding during the term of the agreement are hereby deleted.
11. **ATTORNEY FEES** - The Agency recognizes an obligation to pay attorney's fees or costs only when assessed by a court of competent jurisdiction. Any other provision is invalid and considered null and void.
12. **ASSIGNMENT** - Notwithstanding any clause to the contrary, the Agency reserves the right to assign the agreement to another State of West Virginia agency, board or commission upon thirty (30) days written notice to the Vendor and Vendor shall obtain the written consent of Agency prior to assigning the agreement.
13. **LIMITATION OF LIABILITY** - The Agency, as a State entity, cannot agree to assume the potential liability of a Vendor. Accordingly, any provision limiting the Vendor's liability for direct damages or limiting the Vendor's liability under a warranty to a certain dollar amount or to the amount of the agreement is hereby deleted. In addition, any limitation is null and void to the extent that it precludes any action for injury to persons or for damages to personal property.
14. **RIGHT TO TERMINATE** - Agency shall have the right to terminate the agreement upon thirty (30) days written notice to Vendor.
15. **TERMINATION CHARGES** - Any provision requiring the Agency to pay a fixed amount or liquidated damages upon termination of the agreement is hereby deleted. The Agency may only agree to reimburse a Vendor for actual costs incurred or losses sustained during the current fiscal year due to wrongful termination by the Agency prior to the end of any current agreement term.
16. **RENEWAL** - Any reference to automatic renewal is hereby deleted. The agreement may be renewed only upon mutual written agreement of the parties.
17. **INSURANCE** - Any provision requiring the Agency to insure equipment or property of any kind and name the Vendor as beneficiary or as an additional insured is hereby deleted.
18. **RIGHT TO NOTICE** - Any provision for repossession of equipment without notice is hereby deleted. However, the Agency does recognize a right of repossession with notice.
19. **ACCELERATION** - Any reference to acceleration of payments in the event of default or non-funding is hereby deleted.
20. **AMENDMENTS** - All amendments, modifications, alterations or changes to the agreement shall be in writing and signed by both parties. No amendment, modification, alteration or change may be made to this addendum without the express written approval of the Purchasing Division and the Attorney General.

WEST VIRGINIA UNIVERSITY –PACIOLAN, INC. LICENSE AGREEMENT

THIS LICENSE AGREEMENT ("Agreement") made as of this 30th day of April, 2003 ("Effective Date"), by and between West Virginia University ("School"), with their principal place of business at PO Box 0877, Morgantown 26507-0877, and Paciolan, Inc. ("Paciolan"), a corporation organized under the laws of the State of California with its headquarters at 17305 Von Karman, Irvine, CA 92614.

Paciolan and School agree to the following terms and conditions set forth herein:

ARTICLE 1. DEFINITIONS

"Paciolan Group Ticket Window" means the web based service that allows teams to automate the following aspects of group ticket sales: payment, collection and group ticket sales management.

"On-line" means any of the following: the Internet (including wired and wireless IP technology), intranet (or other limited access computer network), or similar broadband/digital network delivery system, whether currently existing or later developed.

"User(s)" means individuals that access the Service (as defined below) On-line via the School's website on the World Wide Web with email service.

"Service" means the Paciolan Group Ticket Window which shall: 1) be fully co-branded to School's existing website; 2) use automatically generated emails to communicate with on-line Users and employees of the School; and 3) be hosted and maintained by Paciolan.

ARTICLE 2. SCOPE OF AGREEMENT & EXCLUSIVITY

2.1 Paciolan Products & Services. Paciolan is in the business of developing, marketing and licensing the Service that will enable the School's ticket holders to internally track the distribution and usage of their ticket holdings. The Group Ticket Window is offered as an aid to increase group sales by eliminating logistical issues with a group event via the World Wide Web. Paciolan desires to license the Service to School.

2.2 Exclusivity. The Paciolan Group Ticket Window will be the exclusive on-line group ticket solution of the School. The School will not promote or endorse any other on-line group ticket system during the Term of the Agreement. No other on-line group ticket service provider, whether provided by the School or by third parties, will be used by the School nor will links to, or advertising of, any other on-line group ticket service provider appear in any of the School's advertising or promotional material including School operated Internet sites. The School agrees that it will not develop or assist a third party in developing a similar on-line group ticket service during the Term.

ARTICLE 3. TERM & TERMINATION RIGHTS

3.1 Term. The term of this Agreement shall commence as of the Effective Date and shall remain in full force and effect for three (3) years ("Term"), unless earlier terminated pursuant to the terms and provisions set forth herein.

3.2 Termination Rights. School and Paciolan shall each have the right to terminate this Agreement upon the one-year anniversary of the effective date so long as the party seeking to terminate the agreement gives notice to the other party of its intent to terminate the agreement 30 days prior the one-year anniversary of the Effective Date. If notice is not provided to the other party the contract will continue in full force until the termination date as prescribed in Section 3.1. Additionally, either party may terminate the Agreement after written notice upon the occurrence of any one or more of the following events: (1) if Paciolan or School fails to make any payment due hereunder, and if such non-payment continues for ten (10) days after written notice of such default is sent (in which event all payments due under this Agreement shall then become due regardless of payment dates provided herein); (2) if Paciolan or School is unable to

pay its debts when due, or makes any assignment for the benefit of creditors or an arrangement pursuant to any bankruptcy law; (3) files or has filed against it any petition under the bankruptcy or insolvency laws of any jurisdiction; (4) either party breaches this Agreement in a manner which is incapable of adequate and complete cure and/or (5) either party breaches any other term or condition of this Agreement and fails to cure such breach within ten (10) days after notice of such breach is received. The termination or expiration of this Agreement shall automatically terminate all licenses granted hereunder, including the licenses for the use of the Paciolan Exchange and the licenses for the limited use of any party's Marks. Sections 3.2, 7.3 and ARTICLES 5, 6, 8 and 11 shall survive the termination or expiration of this Agreement.

ARTICLE 4. LICENSE & INTELLECTUAL PROPERTY

4.1 Limited License. Subject to the terms and conditions of this Agreement, Paciolan hereby grants to School a non-exclusive and non-transferable limited license to the Service. No other access to the Service by School other than to Users shall be permitted without the express written consent of an authorized officer of Paciolan. School specifically agrees and understands that no rights of dissemination by any third party and no rights to sublicense to any third party are being granted to School or to any third party under this Agreement, unless expressly set forth herein.

4.2 Trademarks. Each party grants to the other a non-exclusive, non-transferable limited license to use throughout the world the authorized trademarks, trade names, service marks and logos ("Marks") of the other party for all advertising, written sales and/or promotional materials, press releases and other publicity matters relating to this Agreement subject at all times to the ordinary and customary usage guidelines that each party may disclose, in writing, from time to time. At the end of the Term of this Agreement, the parties shall cease to make use of each other's Marks, except as the parties may agree in writing or to the extent permitted by applicable law.

ARTICLE 5. FEES; CHARGES; & PAYMENT TERMS

5.1 Set-Up Fee. The School shall pay an annual set-up fee of \$1,000. The initial set-up fee is due upon the signing of the Agreement and each subsequent set-up fee is due on the Anniversary of the Effective Date. The initial set-up fee will be waived in the event that the School signs this Agreement on or before April 30, 2003.

5.2 Minimum Annual Fee. Computed on an annual basis, determined on each of the three (3) anniversaries of the effective date, the Paciolan shall earn a minimum fee of \$2,000. This fee shall be invoiced by Paciolan after the anniversary of the effective date and shall be due and payable by the School within 30 days of the anniversary of the effective date. In the event that the transaction fees earned by Paciolan, as defined in Section 5.3, exceed \$2,000 for the one (1) year period ending on the anniversary of the effective date the School is not required to pay Paciolan a minimum fee. If Paciolan has earned transaction fees (as defined in Section 5.3) during the one (1) year period ending on the anniversary of the effective date, but those transaction fees are less than \$2,000, Paciolan shall invoice the School for the difference between \$2,000 and the transaction fees earned by Paciolan. That invoice is due and payable within 30 days of the anniversary of the effective date.

5.3 Transaction Fee. Paciolan shall earn a transaction fee of \$1.25 for each ticket sold on the On-Line Group Ticket Window from the Paciolan's Credit Card Merchant Accounts. The School can pay the transaction fee out of the ticket price or the School may add the transaction fee to the price of the ticket paid by the buyer (i.e. convenience fee). The method of payment of the transaction fee will be at the sole discretion of the School.

5.4 Credit Card Fees and Transaction Audit Rights. All transaction proceeds shall be remitted to the Paciolan Credit Card Merchant Accounts, and held directly by Paciolan. All credit card fees shall be paid directly from the proceeds from the sale of tickets remitted to the Paciolan Credit card Merchant Account. School and Paciolan shall maintain complete and accurate books and records relating to this Agreement. On reasonable prior notice to Paciolan, School's agents may inspect, make copies of, and otherwise audit those books and records pertaining in any way to this agreement at Paciolan's offices, during

business hours. The School's right to audit will survive for 12 months after termination or expiration of this Agreement. An auditing party may not audit the other party more than once in any 12-month period. If an audit finds an underpayment of 5% or more, then audited party must reimburse the auditing party for the cost of the audit.

5.5 Payments to School. Monthly accounting for all Group Ticket sales will close 72 hours prior to game time, allowing the School to print tickets and deliver them to the Will Call for customer pick-up. The School can elect to close a Group Ticket Window 7 days prior to game time to allow for the printing of tickets and the delivery of the tickets to the customer via US Mail. The timing and length of a Group Ticket Window is at the sole discretion of the School. Payments shall be remitted to School promptly on the day sales are closed via U.S. mail, wire transfer or ACH bank transfer. Paciolan shall provide School with a statement detailing all amounts received in the Paciolan Credit Card Merchant Account, the number of tickets sold, Paciolan's transaction fee (computed as described in Section 5.3), credit card fees incurred (2.5% of the gross sales) and the amount due to School. The amount due to the School shall equal the total Group Ticket sales less the transaction fee earned by Paciolan and less the credit card fees. The parties agree that time is of the essence as to the payment terms described herein.

5.6 Accelerator. Paciolan reserves the right to increase the minimum annual fee (as defined in Section 5.2) and or the transaction fee (as defined in Section 5.3), by no more than 10% every year. Paciolan will provide the School written notice, no later than 30 days after the anniversary of the effective date, of any increase for the next 12 months. If written notice is not presented to the School the transaction fee rate will remain the same as it was for the prior 12-month period.

ARTICLE 6. CONFIDENTIALITY & NON-DISCLOSURE

Paciolan and School shall treat as strictly confidential and shall not disclose or transmit to the public, or any third parties any information regarding all elements contained in this Agreement including pricing, fee schedule, terms, documentation, content or other materials provided by each other during the Term of this Agreement (herein, "Confidential Information"). Notwithstanding the foregoing, information and data provided to either party shall not be deemed "Confidential Information" if such information or data (a) is approved in writing by School or Paciolan for disclosure; or (b) is required by law to be disclosed by School or Paciolan, provided prior written notice of such required disclosure is given to the other party and the other party is given the opportunity to object lawfully to such disclosure.

ARTICLE 7. WARRANTIES; DISCLAIMERS

7.1 Authorization. Each party warrants that its entry into this Agreement is authorized and does not violate any other agreement to which it is a party.

7.2 Paciolan Intellectual Property Warranty. As of the Effective Date and for the entire Term of this Agreement, Paciolan hereby represents and warrants to School that the Service is, and continues to be, the proprietary, intellectual property of Paciolan, and that Paciolan retains and does not infringe upon or violate any copyright, trade secret, U.S. patent or other proprietary right to the Service.

7.3 Paciolan Disclaimers of Warranties; Limitation of Liability. Paciolan warrants for the Term, that Paciolan will use its best efforts within applicable industry standards, to ensure that the Service will run 7 days a week 24 hours a day, subject to minor technical interruption. Notwithstanding the foregoing, Paciolan does not warrant that use of the Service will be uninterrupted or that the operation of the Service will be error-free or secure. Paciolan's sole liability for any breach of this warranty shall be, in Paciolan's sole discretion: (i) to explain how to achieve substantially the same objective with the Service; or (ii) if the above remedies are impracticable, give School the right to terminate this Agreement pursuant to the terms of Section 3.2 hereof. IN NO EVENT SHALL THE LIABILITY OF PACIOLAN IN CONNECTION WITH ANY CLAIM ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT EXCEED THE ANNUAL FEES PAID BY TEAM TO PACIOLAN DURING THE YEAR IN WHICH THE CLAIM ARISES. If, during the warranty period, (i) School makes any unauthorized modifications to the Service;

(ii) the Service is subject to abuse or improper use; or (iii) School breaches the terms of this Agreement, then this warranty shall immediately be terminated. THIS LIMITED WARRANTY GIVES TEAM SPECIFIC LEGAL RIGHTS. TEAM MAY HAVE OTHER RIGHTS, WHICH MAY VARY FROM JURISDICTION TO JURISDICTION. IN NO EVENT SHALL Paciolan BE LIABLE TO TEAM OR ANY THIRD PARTY FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT, PUNITIVE OR OTHER SPECIAL DAMAGES ARISING OUT OF THIS AGREEMENT OR USE OF THE SERVICE, WHETHER LIABILITY IS ASSERTED IN CONTRACT OR TORT AND IRRESPECTIVE OF WHETHER Paciolan HAS BEEN ADVISED OF THE POSSIBILITY OF ANY SUCH LOSS OR DAMAGE. EXCEPT AS EXPRESSLY SET FORTH ABOVE IN THIS AGREEMENT, THE SERVICE IS PROVIDED "AS IS", WITHOUT WARRANTIES OF ANY KIND, WHETHER EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR USE.

ARTICLE 8. INDEMNIFICATION

8.1 Indemnity. Paciolan and School covenant and agree (the Party or Parties so covenanting and agreeing to indemnify another Party being referred to as the "Indemnifying Party" and the Party to be indemnified being referred to as the "Indemnified Party") at their own cost and expense, to defend, indemnify and hold the Indemnified Party, their affiliates, officers, directors, employees and agents, harmless from and against any and all judgments, injuries, damages, liabilities and expenses (including reasonable attorneys' fees) arising out of or relating to any claim or litigation against the Indemnified Party (a) alleging any material violation of law in connection with this Agreement; or (b) alleging any non-fulfillment of any covenant or agreement on the part of the Indemnifying Party under this Agreement; or (c) any incorrectness in or breach of any representation or warranty of the Indemnifying Party contained in this Agreement; or (d) in any certificate or other document furnished by the Indemnifying party pursuant to this Agreement.

8.2 Procedure. The indemnifying party shall have sole control over the settlement and/or defense of such claim. The indemnified party shall cooperate with the indemnifying party in connection with the defense of any such claim indemnified hereunder.

ARTICLE 9. MAINTENANCE OF SERVICE; TRAINING; WEBSITE

9.1 Support Services. During the Term of this Agreement, Paciolan will provide School and Users with on-going technical support ("Support") via email during Paciolan's normal business hours in accordance with Paciolan's Support policy. Support will include:

Paciolan shall have no obligation to correct errors in the Service that do not affect the operational use thereof for the purposes intended hereunder. Upon identification by School of any Service error, School shall notify Paciolan of such error and shall provide Paciolan with enough information to correct the error.

Paciolan shall be the sole owner of such website and of all aspects thereof. - e. Ticket purchasers will be able to access the Group Ticket Window directly through a link (text or graphic) or log-in button located directly on the School’s official website.
- f. There will be an interface for the School (accessed with a unique User ID and password) where a School’s representative may track Ticket Window purchase activity in real time. The interface will include reporting functionality encompassing financial summaries, tickets sold, and user information. The interface will also allow the School to create events for groups and assign them tickets.
- g. There will be an interface for a group representative (accessed with a unique User ID and password) where that representative may track Group Ticket Window activity, for their group, in real time. Except as this Agreement may otherwise provide, Paciolan will own all copyright and other rights in and to the Service.

- k. Further enhancements to the functionality of the product will be handled as prescribed in Section 12.

ARTICLE 11. OTHER MATTERS

11.1 Assignment. This Agreement, including both its obligations and benefits, will bind each party's respective transferees and successors, but no party may assign or otherwise transfer this Agreement, in whole or in part, by operation of law or otherwise, without the other party's prior written consent, but no such consent is necessary for either party's assignment of this Agreement in whole in connection with any merger, consolidation, any sale of all or substantially all of its assets, or any other transaction in which more than 50 percent of its voting securities are transferred.

(6) Paciolan reserves, and may exercise as it chooses, all rights to the Service not specifically granted to School under this Agreement. (7) Any recourse of either party against the other under or relating to this Agreement extends only to such other party and not to any employee, owner, shareholder, partner, member, director, officer, or agent of such other party.

February 28, 2003

Purpose: To develop a custom program allowing Internet transactions from the Paciolan system exported for processing with another processing company.

Objective: To allow Internet transactions processed through Paciolan's e.Venue system to be captured in pending mode. Once the transactions are put into pending mode, a custom program will be needed to clear the pending file and store these transactions in another file. The program will also allow for exporting the data from the secondary file and have an option to purge data once processed on the third party processing system.

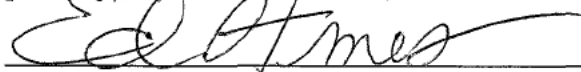

Work Definition: The custom programming creation and testing is *estimated* to take 5 business days. The work definition includes the following:

- Analysis of custom program
- Written program specifications developed by Paciolan and signed by WVU
- Program development
- Program testing
- Program delivery

Responsibilities: The Paciolan programming department will create the custom program based on the program specifications created by Paciolan's Project Manager. Paciolan's Project Manager will work with the Customer's Project Manager to ensure that the program specifications meet the needs of the Customer.

Terms and Conditions: These programming and testing services will be provided at our programming rate of \$200 per hour (\$1600 per day). Services will be billed when incurred as stated in Paciolan Services Policies and includes a 50% premium for after-hours work. Scheduled dates and Programming personnel will be confirmed when purchase order is received.

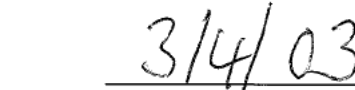

Cost Estimate: \$8,000 for custom programming and testing (assumes five 8-hour days @ \$1,600 per day); total estimate \$8,000

Software/Hardware Usage Terms And Conditions

Paciolan Application Software Right Of Use

The Paciolan Application Software, in both its object and source code form, (the "Software") and the system design and the programs that realize that design are the sole property of Paciolan. Paciolan retains the sole right for licensing of the Software. Customer's right is the use of the Software's object code provided that it complies with the terms and conditions of this agreement and abides by the limitations specified herein. This is non-exclusive and non-transferable and is limited to the computer specified in the attached Software Acceptance Agreement. In addition, the Customer may not copy, modify or duplicate the Software in any way without the express written permission of Paciolan, and Customer is restricted in the use of the Software to the processing of one data set at one operational site and only for the Customer's own business. The usage of the Software will not subject Customer to any charges except as provided herein, and will not expose Customer to liability for violations of copyrights or patents.

Paciolan agrees that the data to which the Software is to be applied during Customer's usage is the property of Customer and agrees neither to make use of this data nor to transfer it to any other party without Customer's written consent.

Third Party Software Limited Warranty

Paciolan warrants that the Third Party Software provided herein will perform its intended functions with the Paciolan System in accordance with the applicable licensor's specifications at the time of delivery. Any other warranties with respect to the Third Party Software shall be limited to the applicable third party licensor's warranty provided to Customer. Copies of the Third Party licensors' specifications and warranties, to the extent applicable, will be supplied at the time of installation of the third party products. Customer acknowledges that it has sole responsibility for complying with all Third Party licensor warranty requirements, including the prompt completion and mailing of any Customer executed license agreements, product registrations, or warranty forms. Failure to do so may jeopardize Customer's license rights, including rights to warranty claims and upgrades.

Software Functional Warranty

Paciolan warrants that the Software will perform the functions represented in the online documentation provided to Customer under the terms of this agreement so long as Customer maintains the Hardware per its manufacturer's specifications. This guarantee does not cover loss of function due to any changes of hardware, operating system, or software made by any person other than Paciolan.

Software Performance Warranty

Paciolan warrants that the Software will be free of material defects and errors for a period of one year following the ratification of this agreement. At the expiration of this period, this warranty will be extended as long as the Customer uses the Software under the terms of a Paciolan Software Support and Services Contract or Addendum. Paciolan makes no guarantees that the operation of the Software will be error-free or that its performance with any other application software will be flawless.

Project Management

Paciolan will appoint an appropriately qualified individual as a project manager (the "Project Manager") to manage the implementation of the Hardware, Software and Professional Services detailed in the attached Investment Addendum. The Project Manager shall assist Customer in providing a mutually acceptable project schedule (the "Schedule") and completion criteria as specified in the Schedule Section (Section 5) of the Implementation Project Statement of Work (SOW) attached and incorporated herein.

After reaching agreement on the Schedule, Customer and Paciolan mutually agree to make commercially reasonable efforts to perform according to the Schedule and within the service days allotted. The Change Control Procedure Section (Section 7) of the SOW will govern any changes to the schedule or service days allotted to the project.

Limitation on Liability

The extent of Customer's or Paciolan's liability for any damages, loss, claim or expense arising out of or in relation to this agreement shall be limited to an amount not to exceed the total value of the application software and professional services as detailed in the Investment Summary Section of the Investment Addendum.

To the maximum extent permitted by applicable law, in no event and under no legal theory will either Customer or Paciolan be liable to the other for any indirect, special, incidental, or consequential damages of any kind arising out of the use of any of the components or services covered by this agreement. This shall included, without limitation, damages for lost profits, lost savings, loss of goodwill, loss of malfunction, or any and all other damages or losses, even if the Party had been informed of the possibility of such damages.

The Customer and Paciolan mutually recognize that the products and services to be provided by Paciolan could not be made available under the terms of this agreement or under any similar terms without a substantial increase in cost should they assume a greater degree of liability to each other.

Unauthorized Access

Customer agrees to take all reasonable measures to protect the Software from unauthorized use or transfer. Included in these measures, the Customer will ensure that its employees, agents, contractors, sub contractors, and consultants, who have access to the Software or its documentation, understand the confidential and proprietary nature of the Software and the Customer's obligation to protect the Software, its design and features. Customer shall be liable for any gross negligence or intentional malicious acts committed by its employees, agents, contractors, subcontractors, and consultants that result in the unauthorized transfer of the Software. Should any unauthorized transfer take place, Customer agrees to take full responsibility for terminating the unauthorized usage.

Hardware Ownership

The Hardware (the Hardware), exclusive of any operating system firmware, will become the property of Customer as soon as Customer has made full payment to Paciolan of the Hardware Purchase Price as detailed on the Investment Addendum. Prior to full payment being made, the Hardware remains the property of Paciolan.

The risk of loss or damage of the Hardware will become the responsibility of Customer immediately upon delivery at Customer's site.

Hardware Guarantee

Paciolan warrants that the Hardware will perform in accordance with its Manufacturer's at the time of delivery and installation by Paciolan. Copies of the Manufacturer's specifications and warranties, to the extent applicable, will be supplied with shipment of the Hardware products.

Separately Billable Items

Unless specifically itemized as part of this agreement, the following items, if applicable, are the responsibility of the Customer and will be billed separately.

Shipping/Handling and Insurance

All shipping, handling and insurance costs are the responsibility of Customer. Components will be shipped to Customer freight prepaid, and Paciolan will bill Customer as charges are incurred.

If Customer is tax exempt, a copy of Customer's certificate of exemption should be returned to Paciolan with the signed purchase contract.

Acceptance

The Hardware will be deemed accepted by Customer as soon as it has been installed at Customer's location, subjected to tests carried by Paciolan and Customer, and declared operational by Paciolan and Customer. The Software will be deemed accepted by Customer upon the first of the following to occur: (A) the Software has been installed on the hardware, Customer has received its initial training from Paciolan in its use and Paciolan and Customer mutually agree that the Software materially conforms with its documentation; or (B) thirty (30) days following its first use in a transaction with Customer's patrons and/or clients. Termination

Either party may terminate this agreement upon a material breach of any of its terms. The aggrieved party must notify the offending party in writing and the offending party shall have thirty-days (30) from receipt of such notification to cure the default. In the case of a termination resulting from default by Customer, Paciolan may immediately terminate all Software licenses granted herein. In such case, Customer shall immediately discontinue the use of the Software, return all copies of the Software and its documentation which exist on medial owned by Paciolan, and allow Paciolan to erase or destroy all copies of the Software and its documentation that exist on media belonging to Customer.

Paciolan retains the sole right for licensing of the Software. Customer's right is the use of the Software's object code provided that it complies with the terms and conditions of this agreement and abides by the limitations specified herein. This is non-exclusive and non-transferable and is limited to the computer specified in the attached Software Acceptance Agreement. In addition, the Customer may not copy, modify or duplicate the Software in any way without the express written permission of Paciolan, and Customer is restricted in the use of the Software to the processing of one dataset at one operational site and only for the Customer's own business. The usage of the Software will not subject Customer to any charges except as provided herein, and will not expose Customer to liability for violations of copyrights or patents.

Paciolan agrees that the data to which the Software is to be applied during Customer's usage is the property of Customer and agrees neither to make use of this data nor to transfer it to any other party without Customer's written consent.

Third Party Software Limited Warranty

Paciolan warrants that the Third Party Software provided herein will perform its intended functions with the Paciolan Systems in accordance with the applicable licensor's specifications at the time of delivery. Any other warranties with respect to the Third Party Software shall be limited to the applicable third party licensor's warranty provided to Customer. Copies of the third party licensors' specifications and warranties, to the extent applicable, will be supplied at the time of installation of the third party products. Customer acknowledges that it has sole responsibility for complying with all third party licensor warranty requirements, including the prompt completion and mailing of any Customer executed license agreements, product registrations, or warranty forms. Failure to do so may jeopardize Customer's license rights, including rights to warranty claims and upgrades.

Software Functional Warranty

Paciolan warrants that the Software will perform the functions represented in the online documentation provided to Customer under the terms of this agreement so long as Customer maintains the hardware per its manufacturer's specifications. This guarantee does not cover loss of function due to any changes of hardware, operating system, or software made by any person other than Paciolan.

Software Performance Warranty

Paciolan warrants that the Software will be free of material defects and errors for a period of one year following the ratification of this agreement. At the expiration of this period, this warranty will be extended as long as the Customer uses the Software under the terms of a Paciolan Software Support and Services Contract. Paciolan makes no guarantees that the operation of the Software will be error-free or that its performance with any other application software will be flawless.

Limitation on Liability

The extent of Customer's or Paciolan's liability for any damages, loss, claim or expense arising out of or in relation to this agreement shall be limited to an amount not to exceed the total value of the application software and professional services as detailed in the Investment Summary Section of the Investment Addendum.

To the maximum extent permitted by applicable law, in no event and under no legal theory will either Customer or Paciolan be liable to the other for any indirect, special, incidental, or consequential damages of any kind arising out of the use of any of the components or services covered by this agreement. This shall included, without limitation, damages for lost profits, lost savings, loss of goodwill, loss of malfunction, or any and all other damages or losses, even if the Party had been informed of the possibility of such damages.

The Customer and Paciolan mutually recognize that the products and services to be provided by Paciolan could not be made available under the terms of this agreement or under any similar terms without a substantial increase in cost should they assume a greater degree of liability to each other.

Unauthorized Access

Customer agrees to take all reasonable measures to protect the Software from unauthorized use or transfer. Included in these measures, the Customer will ensure that its employees, agents, contractors, sub contractors, and consultants, who have access to the Software or its documentation, understand the confidential and proprietary nature of the Software and the Customer's obligation to protect the Software, its design and features. Customer shall be liable for any gross negligence or intentional malicious acts committed by its employees, agents, contractors, subcontractors, and consultants that result in the unauthorized transfer of the Software. Should any unauthorized transfer take place, Customer agrees to take full responsibility for terminating the unauthorized usage.

Dear Bob,

This letter is in reference to your request for a system analysis for West Virginia University in preparation for New User Interface (NUI).

STANDARD NUI PRICING

NUI pricing for all existing customers is as follows:

	Stand-alone	In Any Combination
Ticketing	\$4,000	\$4,000
Support Group	1,000	1,000
Credit Authorization	n/c	n/c
Accounting (GL, AP, AR, PO)	2,000	1,000
Facility Scheduling	1,000	n/c
Recruiting	1,000	n/c

Included with the NUI versions of the above software, the NUI version of the Mail List (ML) software and the Mailbox (MB) software are provided at no additional charge.

NUI SOFTWARE MAINTENANCE

There will be no additional charges for maintenance of the converted NUI software.

RECOMMENDED TRAINING

Based on the size of your organization, the number of software packages installed, and whether the NUI conversion includes accounting or not, there will be a recommended number of training days for the various NUI software packages and/or NUI conversion.

REQUIRED HARDWARE/OPERATING SOFTWARE UPGRADES

The implementation of the NUI software may require additional hardware (e.g. memory, disk) and an upgrade to AIX or UniVerse. Our technical staff has completed a system profile of your configuration and, based on a number of factors, there may be a need to upgrade memory and/or disk as well as load the necessary AIX or UniVerse release that will support the new software. The following are guidelines for any NUI install:

1. Your system must be on an AIX version of 3.2 or greater.
2. Your system must be on a UniVerse version of 7.3.1d or greater.
3. The upgrade of UniVerse from version 6 to version 7 requires and additional 55MB of disk.
4. The implementation of NUI requires an additional 80 to 150MB of disk.
5. NUI requires 2MB of memory for each UniVerse users plus 8MB for the AIX operating system (e.g. a system with a 12-user UniVerse license will need at least 32MB of memory).
6. After all new software is loaded, PSI recommends at least 500MB of free disk space.

Based on the above guidelines, the evaluation done at the time of the last quote your system did not require any additional hardware. However, since it has been quite a while since it was reviewed, I have asked the tech department to re-analyze the system. I will let you know the results as soon as they come in.

CUSTOM PROGRAMS

There will be additional charges for converting custom programs to NUI. The conversion will be billed at our regular rate of \$1400 per day. Any custom programs that we have identified at your site will be detailed below as estimates. If you are aware of others, please inform your account manager, Christine Harding or me. Be aware that the custom conversion estimates reflect the current custom programs. Should there be significantly enhanced, new ones added, or some deleted, the price will vary.

CABLING

It is possible that your existing cabling does not conform to the most recent cabling specification laid out by Paciolan or by IBM. The proper cabling guidelines are outlined in the PSI document **RS/6000 Cable Specifications** (included with this letter) and are also contained in the **Customer Service Reference Guide**.

If your cables do not comply with these standards, it is possible that our non-standard cables will work without any problems. However, we have experienced problems with non-standard cables and AIX version 4. Therefore, any time spent by PSI troubleshooting problems caused by this cabling will be billed at prevailing rates. If you are unsure as to your cabling needs, please contact our Technical Support Department at 562/424-8070.

ITEMS NOT INCLUDED

Some items are not included in the price quotation and we want you to be aware of these costs as you budget for the TX2 and system installation. First, sales tax has not been quoted. For most customers (those not in California) PSI does not collect sales tax; however, you may have to include tax on the system in your total budget calculation. Any taxes (other than California) would be handled by you in accordance with your state regulations.

The second item not included in the price schedule is the cost of travel, meals, and lodging of PSI representative(s) for their visit(s) to your offices for installation and training. These costs are billed to you as incurred, and no per diem charges are imposed. We will work with you to lessen the impact of these costs on your budget (attempting to take advantage of airfare discounts and utilizing special relationships that you may have with area hotels and/or restaurants).

The third item not included is shipping costs, which are also billed as incurred.

PAYMENT TERMS

The prices quoted herein are guaranteed for a period of sixty days from the date of this letter. Our standard payment terms are 100% due in arrears, after product installation.

Once you have an opportunity to review this information, please feel free to call me if you have any questions regarding the contents of this proposal.

Sincerely,

Kathy Burns

Software Support and Services Contract

This contract is between Paciolan Systems, Inc. (referred to as "PSI") and West Virginia University-Athletics (referred to as "CUSTOMER"). The subject of the contract is the software support and services to be provided to CUSTOMER by PSI. This contract supersedes any previous software support contracts between the parties.

Term

This contract becomes effective upon installation of each software package. The term is for a period of one (1) year from the effective date. Upon expiration of the term, this agreement will be renewed automatically on an annual basis, unless canceled by CUSTOMER.

Either CUSTOMER or PSI may terminate this contract upon receipt of a thirty (60) day written notice to the other party. Once cancellation has become final, telephone support, updates, documentation, and all other services will be terminated. CUSTOMER may request support services on a time-and-materials basis at PSI's published hourly rates.

Payment & Credit Terms

CUSTOMER shall pay to PSI the Quarterly Service Charge (QSC) listed on the attached Support Fee Addendum, with payments commencing on the effective date of the contract and continuing quarterly thereafter.

Invoices are due and payable in accordance with the terms stated on each individual invoice. Failure to remit any amount when due shall entitle PSI to collect a late charge. Late payments shall bear interest on the unpaid amount due at one percent (1%) per month. CUSTOMER must report any disputes within five (5) working days of receipt of invoice.

If payment is not received within 30 days of invoice, a past due notice may be sent anytime thereafter. If payment is not received 30 days after the past due notice, unless other mutually acceptable arrangements are made, a termination notice will be sent. Time-and-materials services may be provided following such termination, provided PSI receives payment in full for all past invoices and advance payment in the form of a purchase order or other form of payment acceptable to PSI.

Support Fee Addendum

Attached and incorporated herein is a Support Fee Addendum that includes a complete list of the PSI software products, which together with systems support service and third-party operating environment products constitute the software being maintained under this contract. Also listed are any custom programs which will be supported and/or modified on a time-and-materials basis at PSI's published hourly programming rates.

Any other software running on CUSTOMER's computer, whether supplied by PSI or not, is not covered under this contract.

PSI reserves the right to increase these maintenance charges, provided that CUSTOMER is given sixty (60) days written notice.

Purchase Orders

In the event of any conflict between this contract and the terms and conditions of any purchase order, the terms and conditions of this contract will prevail.

Software Support and Services

PSI will provide CUSTOMER software support and services as provided for in the PSI Service Policies document which is attached and incorporated herein. This includes service in the area of applications software, systems, network, and third-party operating environment support. Service hours and the type of service CUSTOMER will receive will be based on CUSTOMER's choice of Service Programs, as described in the PSI Service Policies. PSI reserves the right to amend these policies provided that CUSTOMER is given written notice sixty (60) days prior to PSI implementing such amendments.

System Access

CUSTOMER will provide PSI access to the software via a direct voice grade telephone line and a PSI-approved modem. Telnet access is also desirable, but must be in addition to a phone line and modem access. Phone calls and telnet access from PSI to CUSTOMER's system will be at PSI's expense to the extent necessary to provide software support as outlined in this contract.

Third Party Operating Environment Support

PSI agrees to provide, as applicable, customer support services for the following third-party operating environment products: UniVerse database management system (UniVerse), AIX operating system (AIX), SB+ interface system (SB+), Protobase credit authorization software (PB), (jointly referred to as the OPERATING PRODUCTS) used by CUSTOMER in conjunction with the operation of PSI-developed software.

CUSTOMER warrants, where applicable, that it has the right to use UniVerse, AIX, SB+, and PB and has purchased or will purchase, in conjunction with this Agreement, the applicable OPERATING PRODUCTS for use with CUSTOMER's system. The rights to the OPERATING PRODUCTS and all related proprietary information shall at all times remain with the respective developers, Ardent Software (UniVerse and SB+), International Business Machines (AIX), and Southern DataComm (PB). PSI warrants that the OPERATING PRODUCTS will function to the extent warranted by their developers.

CUSTOMER also warrants that it will maintain the host computer system according to the environmental and maintenance standards of its manufacturer and will at all times keep in place an active service contract by a certified provider for the support and maintenance of the host computer system.

This contract does not provide for operating environment system services relating to the performance of software not developed by PSI. Nor does it provide for service on components of operating environment products that are not used by PSI software. In addition, this contract does not provide for support of any operating environment system services related to the use or connection of any hardware items not specifically approved by PSI.

Operational Databases/Sites

PSI support services are limited to the support of only one database on each of the PSI software systems specified in the Covered Products Section of the Support Fee Addendum. The database for each software system is limited to one operational site. A database is a distinct file set required to support one operational entity. An operational site is defined as any number of people operating a software system at a specific location. Other databases or operational sites must be provided for by written agreement between PSI and CUSTOMER.

Education/Retraining Requirements

If PSI can demonstrate that CUSTOMER's key personnel responsible for running the PSI software systems are insufficiently educated to perform essential system functions, PSI may recommend in writing that these individuals receive additional training at PSI's published training rates. CUSTOMER's failure to follow this recommendation may be deemed as default by PSI and may result in termination of the Software Support and Services Contract if such failure materially hinders PSI's performance of this contract. PSI is responsible to notify CUSTOMER in writing sixty (60) days in advance of the effective date of termination.

Amendments

Additions of software systems or UniVerse and AIX users to this contract may be made during the contract term by a written agreement signed by representatives of both parties. Additional software systems and/or additions to the number of OPERATING PRODUCT users will increase the support fees. CUSTOMER may delete application software systems from this contract. Requests for deletions must be submitted in writing to PSI at least sixty (60) days prior to the date of the intended change.

Addition of a Service Program can be made at any time. Discontinuing a Service Program requires sixty (60) days written notice. Once discontinued, the Service Program can not be reinstated for a period of one year.

Software Modification

Any modification by CUSTOMER of a PSI software system, OPERATING PRODUCT, or their related files without written permission from PSI will result in the termination of this software support and services contract.

Limitation of Liability

Neither PSI nor CUSTOMER will be liable for special, indirect, incidental, or consequential damages arising out of this agreement.

Settlement of Disputes

Any dispute affecting this contract will be resolved by submitting the dispute to an independent arbitrator chosen by agreement of PSI and CUSTOMER and such arbitration shall be conducted in accordance with the rules of the American Arbitration Association. It is agreed that the decision of this arbitrator shall be binding, and that the costs of settling the dispute shall be allocated among the parties by the arbitrator.

Services Policies Acceptance

Attached as an exhibit and incorporated herein are PSI's Services Policies. These policies detail the service program choices available and the support services provided within each service level. CUSTOMER has read, understands, and agrees to abide by these policies.

Phone calls and telnet access from PSI to CUSTOMER's system will be at PSI's expense to the extent necessary to provide software support as outlined in this contract.

Third Party Operating Environment Support

PSI agrees to provide, as applicable, customer support services for the following third-party operating environment products: UniVerse database management system (UniVerse), AIX operating system (AIX), SB+ interface system (SB+), Protobase credit authorization software (PB), (jointly referred to as the OPERATING PRODUCTS) used by CUSTOMER in conjunction with the operation of PSI-developed software.

CUSTOMER warrants, where applicable, that it has the right to use UniVerse, AIX, SB+, and PB and has purchased or will purchase, in conjunction with this Agreement, the applicable OPERATING PRODUCTS for use with CUSTOMER's system. The rights to the OPERATING PRODUCTS and all related proprietary information shall at all times remain with the respective developers, Ardent Software (UniVerse and SB+), International Business Machines (AIX), and Southern DataComm (PB). PSI warrants that the OPERATING PRODUCTS will function to the extent warranted by their developers.

CUSTOMER also warrants that it will maintain the host computer system according to the environmental and maintenance standards of its manufacturer and will at all times keep in place an active service contract by a certified provider for the support and maintenance of the host computer system.

This contract does not provide for operating environment system services relating to the performance of software not developed by PSI. Nor does it provide for service on components of operating environment products that are not used by PSI software. In addition, this contract does not provide for support of any operating environment system services related to the use or connection of any hardware items not specifically approved by PSI.

Operational Databases/Sites

PSI support services are limited to the support of only one database on each of the PSI software systems specified in the Covered Products Section of the Support Fee Addendum. The database for each software system is limited to one operational site. A database is a distinct file set required to support one operational entity. An operational site is defined as any number of people operating a software system at a specific location. Other databases or operational sites must be provided for by written agreement between PSI and CUSTOMER.

Education/Retraining Requirements

If PSI can demonstrate that CUSTOMER's key personnel responsible for running the PSI software systems are insufficiently educated to perform essential system functions, PSI may recommend in writing that these individuals receive additional training at PSI's published training rates. CUSTOMER's failure to follow this recommendation may be deemed as default by PSI and may result in termination of the Software Support and Services Contract if such failure materially hinders PSI's performance of this contract. PSI is responsible to notify CUSTOMER in writing sixty (60) days in advance of the effective date of termination.

Amendments

Additions of software systems or UniVerse and AIX users to this contract may be made during the contract term by a written agreement signed by representatives of both parties. Additional software systems and/or additions to the number of OPERATING PRODUCT users will increase the support fees. CUSTOMER may delete application software systems from this contract. Requests for deletions must be submitted in writing to PSI at least sixty (60) days prior to the date of the intended change.

Addition of a Service Program can be made at any time. Discontinuing a Service Program requires sixty (60) days written notice. Once discontinued, the Service Program can not be reinstated for a period of one year.

Software Modification

Any modification by CUSTOMER of a PSI software system, OPERATING PRODUCT, or their related files without written permission from PSI will result in the termination of this software support and services contract.

Limitation of Liability

Neither PSI nor CUSTOMER will be liable for special, indirect, incidental, or consequential damages arising out of this agreement.

Software Support and Services Contract

Settlement of Disputes

Any dispute affecting this contract will be resolved by submitting the dispute to an independent arbitrator chosen by agreement of PSI and CUSTOMER and such arbitration shall be conducted in accordance with the rules of the American Arbitration Association. It is agreed that the decision of this arbitrator shall be binding, and that the costs of settling the dispute shall be allocated among the parties by the arbitrator.

Services Policies Acceptance

Attached as an exhibit and incorporated herein are PSI's Services Policies. These policies detail the service program choices available and the support services provided within each service level. CUSTOMER has read, understands, and agrees to abide by these policies.

Rev. 5/94AGREEMENT ADDENDUM

In the event of conflict between this addendum and the agreement, this addendum shall control:

1. ARBITRATION - Any references to arbitration contained in the agreement are hereby deleted. Disputes arising out of the agreement shall be presented to the West Virginia Court of Claims.
2. HOLD HARMLESS - Any clause requiring the Agency to indemnify or hold harmless any party is hereby deleted in its entirety.
3. GOVERNING LAW - The agreement shall be governed by the laws of the State of West Virginia. This provision replaces any references to any other State's governing law.
4. TAXES - Provisions in the agreement requiring the Agency to pay taxes are deleted. As a State entity, the Agency is exempt from Federal, State, and local taxes and will not pay taxes for any Vendor including individuals, nor will the Agency file any tax returns or reports on behalf of Vendor or any other party.
5. PAYMENT - Any references to prepayment are deleted. Payment will be in arrears.
6. INTEREST - Should the agreement include a provision for interest on late payments, the Agency agrees to pay the maximum legal rate under West Virginia law. All other references to interest or late charges are deleted.
7. RESCUPTION - Any language in the agreement waiving the Agency's right to set-off, counterclaim, rescuption, or other defense is hereby deleted.
8. FISCAL YEAR FUNDING - Service performed under the agreement may be continued in succeeding fiscal years for the term of the agreement, contingent upon funds being appropriated by the Legislature or otherwise being available for this service. In the event funds are not appropriated or otherwise available for this service, the agreement shall terminate without penalty on June 30. After that date, the agreement becomes of no effect and is null and void. However, the Agency agrees to use its best efforts to have the amounts contemplated under the agreement included in its budget. Non-appropriation or non-funding shall not be considered an event of default.
9. STATUTE OF LIMITATION - Any clauses limiting the time in which the Agency may bring suit against the Vendor, lessor, individual, or any other party are deleted.
10. SIMILAR SERVICES - Any provisions limiting the Agency's right to obtain similar services or equipment in the event of default or non-funding during the term of the agreement are hereby deleted.
11. ATTORNEY FEES - The Agency recognizes an obligation to pay attorney's fees or costs only when assessed by a court of competent jurisdiction. Any other provision is invalid and considered null and void.
12. ASSIGNMENT - Notwithstanding any clause to the contrary, the Agency reserves the right to assign the agreement to another State of West Virginia agency, board or commission upon thirty (30) days written notice to the Vendor and Vendor shall obtain the written consent of Agency prior to assigning the agreement.
13. LIMITATION OF LIABILITY - The Agency, as a State entity, cannot agree to assume the potential liability of a Vendor. Accordingly, any provision limiting the Vendor's liability for direct damages or limiting the Vendor's liability under a warranty to a certain dollar amount or to the amount of the agreement is hereby deleted. In addition, any limitation is null and void to the extent that it precludes any action for injury to persons or for damages to personal property.
14. RIGHT TO TERMINATE - Agency shall have the right to terminate the agreement upon thirty (30) days written notice to Vendor.
15. TERMINATION CHARGES - Any provision requiring the Agency to pay a fixed amount or liquidated damages upon termination of the agreement is hereby deleted. The Agency may only agree to reimburse a Vendor for actual costs incurred or losses sustained during the current fiscal year due to wrongful termination by the Agency prior to the end of any current agreement term.
16. RENEWAL - Any reference to automatic renewal is hereby deleted. The agreement may be renewed only upon mutual written agreement of the parties.
17. INSURANCE - Any provision requiring the Agency to insure equipment or property of any kind and name the Vendor as beneficiary or as an additional insured is hereby deleted.
18. RIGHT TO NOTICE - Any provision for repossession of equipment without notice is hereby deleted. However, the Agency does recognize a right of repossession with notice.
9. ACCELERATION - Any reference to acceleration of payments in the event of default or non-funding is hereby deleted.
0. AMENDMENTS - All amendments, modifications, alterations or changes to the agreement shall be in writing and signed by both parties. No amendment, modification, alteration or change may be made to this addendum without the express written approval of the Purchasing Division and the Attorney General.

OPT IN TO VALIDATION AND FULFILLMENT AGREEMENT

This Opt In to Validation and Fulfillment Agreement (the "Agreement") is made by and between Paciolan, LLC, having its principal place of business at 5171 California Avenue, Suite 200, Irvine, CA 92617 ("Paciolan"), and the Paciolan Client set forth on the signature page below ("Paciolan Client"), with a principal place of business at the address set forth on the signature page, effective as of the effective date set forth on the signature page below ("Effective Date"). This Agreement establishes the general terms and conditions that shall govern ticket resale integration of Paciolan Client tickets between Paciolan and StubHub, Inc. ("StubHub") through links and integration. This Agreement amends, restates and supersedes any previous Opt In to Validation and Fulfillment Agreements previously entered into between the parties. Now, therefore, the parties hereby agree as follows:

1. CERTAIN DEFINITIONS. "StubHub Marks" mean the StubHub domain names, trademarks, logos and other branding elements to be used in the performance of this Agreement. "StubHub Site" means the website owned and operated by StubHub and currently accessible at www.stubhub.com, as well as any mobile sites, applications, and future domain names made available by StubHub for third parties to sell event tickets. "Marks" means the Paciolan Client Marks or StubHub Marks, as applicable. "Net Sales Revenue" means the total logistics fees, buy fees, and sell fees StubHub actually retains with respect to a Qualifying Transaction for a Qualified Event less (i) the processing fees (e.g. payment processing, logistics/delivery fees, and customer escalations); and (ii) any cancellations (including but not limited to any cancellations due to known or suspected fraud) and returns. "Paciolan Client Marks" means the Paciolan Client domain names, trademarks, website addresses, logos and other branding elements used in the performance of this Agreement. "Qualified Event" means any live event that Paciolan and Paciolan Client mutually agree to electronically integrate on the StubHub Site to allow for electronic cancel and reissue. "Qualifying Transaction" is a fulfilled sale order, via the V&F Services (as defined below), placed on the StubHub Site by a secondary buyer of tickets to a Qualified Event at a discrete time, as verified by the system time stamp (i.e. multiple orders by one buyer shall constitute more than one Qualifying Transaction). "Term" means from the Effective Date through the expiration date set forth on the signature page below. "Sublicensed Sites" means the websites owned and operated by the Paciolan Client.

2. Fulfillment, Integration and Bar Code Availability. Fulfillment, for purposes of this Agreement, will utilize the integration between Paciolan and StubHub. Accordingly, pursuant to this Agreement, StubHub customers shall receive tickets generated by Paciolan through the StubHub platform (the "V&F Services"). Electronic delivery shall be the exclusive method for fulfillment of tickets via the V&F Services. All tickets will indicate "StubHub" under the ticket price field. If a Qualified Event is cancelled or postponed and not rescheduled within thirty (30) days of postponement, payments made by Paciolan to Paciolan Client for the applicable Transaction Fees shall be refunded to Paciolan, or, if not yet paid, shall be deducted from the subsequent payment to Paciolan Client. If and when season ticket holders choose to use, and actually use, the "Credit My Season Account Functionality", within the StubHub Site, for payment processing, payments will be remitted to Paciolan for payment to Paciolan Client. Paciolan Client agrees and acknowledges that all Paciolan Client single ticket bar codes may not be available to the public until five (5) days before the applicable event.

3. Direct Listings. Paciolan Client shall have the right, but not the obligation, to sell primary tickets via the StubHub Site on an event-by-event, ticket-by-ticket basis. Any primary ticket listed by or on behalf of Paciolan Client on the StubHub Site shall not constitute a Qualifying Transaction for payment purposes, and as such no Transaction Fee will be applicable to such listing. Paciolan Client will ensure that all primary ticket listings are in compliance with StubHub's User Agreement, Privacy Policy, Primary Listings Policy, and all other terms and conditions referenced on the StubHub Site."

4. Promotional Obligations. Paciolan Client will perform the promotional obligations set forth on Attachment 1.

5. Customer Data. Upon execution of this Agreement, Paciolan Client will receive via StubHub available transaction data for the then prior three (3) years. Such data will be delivered via a FTP upload and will typically include event, event date, section, row, quantity of transactions, quantity of seats, total GMS (Gross Merchandise Sales - ticket cost inclusive of fees) and Average Ticket Price (ATP). Data to be delivered via secure FTP upload. Thereafter, Paciolan Client shall receive such data annually. Paciolan Client shall have access to certain StubHub customer data via the Paciolan ticketing system, including but not limited to customers' names, emails, seat location, and encrypted credit card information ("Customer Data"), which is to be used for the sole purposes of facilitating the cancel and reissue of tickets and assisting customers with any fulfillment issues (including, but not limited to, customer service and transaction based emails, delivery of print at home tickets, cancellations, notification of time changes, etc.), except as set forth below. Customer Data shall remain the sole property of StubHub and shall not be used by Paciolan Client to contact customers for marketing purposes or for any reason not directly related to the fulfillment of the tickets purchased, except: (i) until such Customer Data becomes Consented Customer Data (as defined below) via StubHub's confirmation of receipt of the applicable consent as contemplated below; or (ii) if such Customer Data was previously or is subsequently received by Paciolan Client via any other means, including, but not limited to, a transaction or inquiry independent of StubHub, a buying list, a graduating student, etc., in which case, such customer data shall no longer constitute Customer Data. Should StubHub have a reasonable basis for believing that either its privacy policy or statutory privacy laws are being violated through Paciolan Client's use of any Customer Data, Paciolan Client agrees to respond in a timely fashion to StubHub's reasonable requests for information related thereto. Notwithstanding the foregoing, subject to and conditioned upon StubHub's license to Paciolan, Paciolan hereby grants to Paciolan Client a perpetual and irrevocable sublicense to Consented Customer Data to be used for Paciolan Client's marketing purposes in accordance with Paciolan Client's privacy policies and practices and all applicable privacy laws, which will include, at a minimum: a) a publicly accessible privacy policy for Customers to review; b) an opt out in all email marketing as to future emails; c) no reference to Customers as StubHub Customers except in an initial welcome email. "Consented Customer Data" shall mean Customer Data, whereby the applicable ticket purchasing customer has consented electronically to the release and transfer of its Customer Data by StubHub to the Paciolan Client, Paciolan shall not be responsible for obtaining such consent from the customer with respect to the Consented Customer Data. Consented Customer Data shall not be used by Paciolan Client for marketing purposes until such consents are received from ticket purchasers through StubHub's checkout process. Paciolan Client shall use the Consented Customer Data in accordance with Paciolan Client's privacy policy and in compliance with applicable law. Paciolan Client agrees not to take retaliatory or punitive action against StubHub customers based on the customer's sale or purchase of tickets on the StubHub Site, through the cancellation of season tickets or otherwise, throughout and after the Term of this Agreement. Upon Paciolan Client's execution of this Agreement, Paciolan (via StubHub) will provide Paciolan Client transaction data for Paciolan Client's events for the then prior three (3) years. Such prior transaction data will be provided only for the genre events that will be supported by the ticketing integration contemplated by the parties

hereunder. For example, if Paciolan Client is integrated for Football and Men's Basketball Qualified Events only, then the Paciolan Client would not receive Men's Hockey or Women's Volleyball transaction data. Thereafter, Paciolan will provide such data annually to Paciolan Client.

6. Paciolan Client Restrictions. During the Term, except with respect to the paperless transfer tickets or similar process utilized (i) for privileged groups, such as students, faculty and staff, (ii) for alumni clubs, or (iii) with respect to zero or nominal value tickets (i.e. comps), Paciolan Client must not: (i) establish an in-house service or engage any third party services (including but not limited to primary ticketing services as well as secondary ticketing services) that enable the paperless transfer of tickets to Qualified Events, unless all tickets are and remain freely and openly transferable through the StubHub Site; (ii) permit, implement or establish any technology, processes, services or other means that prevent the free and open trade of tickets through the StubHub Site in accordance with the provisions of this Agreement; (iii) establish (either by itself or through a third party) an in-house service designed to enable to facilitate the resale or transfer of its tickets; (iv) engage any other secondary ticketing service apart from StubHub; and/or (v) in any other way, prohibit or limit the free and open transfer of any of its tickets on the StubHub Site; provided however, for purpose of clauses (i)-(v) above, that if Paciolan Client is, as at the date of this Agreement, subject to any pre-existing regulations, agreements or policies that limit or restrict the resale of tickets that have been allocated to students, staff, faculty or suites only, then Paciolan Client may decline the provision of V&F Services to Paciolan Client in respect of those affected tickets only. If Paciolan Client breaches any provision of this Section 6, Paciolan may terminate this Agreement upon notice to Paciolan Client.

7. Customer Service. Paciolan Client will provide its services in a professional manner and in accordance with applicable laws and regulations. StubHub will provide customer support in the form of a call center and email support consistent with its customary and current customer service offering but will not generally provide any on-site customer support to Paciolan Client with the exception of the first Qualified Event after the Effective Date with respect to which Paciolan Client requests onsite customer support. Paciolan Client agrees to provide a commercially reasonable, onsite professional location for StubHub to handle on-site issues in its discretion, which shall be equipped at a minimum with electricity and an internet connection. StubHub will provide training and tools necessary for the venue box office staff to respond to any customer service issues in a satisfactory manner and Paciolan Client will provide all other requisite on-site customer support.

8. Trademark Licenses. Subject to such written guidelines on usage as may be periodically provided to StubHub by Paciolan Client, during the Term of this Agreement, Paciolan Client hereby grants to Paciolan a non-exclusive, royalty-free, sublicenseable, worldwide right and license to use, transmit, store, display, reproduce and copy the Paciolan Client Marks to the extent necessary to enable StubHub to perform its obligations and exercise its rights under this Agreement, provided that such StubHub use shall be subject to the prior written consent of Paciolan Client. Subject to such written guidelines on usage as may be periodically provided to Paciolan Client by StubHub, during the Term of this Agreement, subject to and conditioned upon the license granted from StubHub to Paciolan, Paciolan hereby grants to Paciolan Client a non-exclusive, royalty-free, non-sublicensable, worldwide right and license to use, transmit, store, display, reproduce and copy the StubHub Marks to the extent necessary to enable Paciolan Client to perform its obligations under this Agreement. Except as set forth herein, no right, title, license, or interest in any Marks is intended to be given to or acquired by the other party or StubHub with respect to Paciolan Client Mark by the execution or performance of this Agreement. All goodwill arising out of any use of any of the Marks will inure solely to the benefit of its original owner. Paciolan makes no representations or warranties with respect to the StubHub Marks and assumes no liability or responsibility with respect to the license granted herein.

9. Third Party Beneficiary. It is expressly agreed by the parties that StubHub, Inc., and its successors and assigns, subsidiaries and parent companies, is intended to be a third party beneficiary to this Agreement and shall be entitled to all rights and benefits contemplated hereby as though a signatory to this Agreement. For the avoidance of doubt, such rights shall include StubHub's right to proceed directly against Paciolan Client to enforce a breach of this Agreement.

10. Payments. Paciolan Client shall be eligible for payment of Transaction Fees identified on the signature page. Paciolan will provide Paciolan Client a monthly reporting of the Transaction Fees. In addition to the other conditions set forth in this Agreement, all Transaction Fees shall be subject to and conditioned upon Paciolan's receipt of the corresponding payment from StubHub.

11. Confidentiality. A party's "Confidential Information" is defined as any confidential or proprietary information of a party which is disclosed to the other party in a writing marked confidential or, if disclosed orally, is identified as confidential at the time of disclosure. It is specifically agreed that any information related to StubHub that is not publicly available is Confidential Information of Paciolan for purposes of this Agreement. For the avoidance of doubt, StubHub, while a third party beneficiary, is not a "party" to this Agreement. Each party will hold the other party's Confidential Information in confidence and will not disclose such Confidential Information to third parties nor use the other party's Confidential Information for any purpose other than as required to perform under this Agreement. Such restrictions will not apply to Confidential Information which (a) is already known by the recipient, (b) becomes publicly known through no act or fault of the recipient, (c) is received by recipient from a third party without a restriction on disclosure or use, or (d) is independently developed by recipient without reference to the Confidential Information. The restriction on disclosure will not apply to Confidential Information which is required to be disclosed by a court, government agency, regulatory requirement, or similar disclosure requirement, provided that recipient will first notify the disclosing party of such disclosure requirement or order and use reasonable efforts to obtain confidential treatment or a protective order. The parties' respective obligations hereunder will survive the expiration or early termination of this Agreement for a period of three (3) years. Upon termination of this Agreement, and upon written request, the receiving party will return to the disclosing party all Confidential Information of the disclosing party and all documents or media containing any such Confidential Information and any and all copies or extracts thereof.

12. Termination. This Agreement will be terminable early (i) if a party materially breaches this Agreement and does not cure such breach within ten (10) days following written notice thereof from the non-breaching party; (ii) by mutual written agreement; (iii) upon termination or expiration of the contractual relationship between Paciolan and StubHub contemplating the transactions set forth herein; or (iv) termination of the Ticketing Agreement. Upon expiration or termination, all licenses granted hereunder shall terminate unless such licenses are perpetual. Sections 1 ("Certain Definitions"); 5 ("Customer Data"); only with respect to perpetual sublicense granted to Paciolan Client; 11 ("Confidentiality"); 12 ("Termination"); 13 ("Representations and Warranties"); 14 ("Indemnification"); 15 ("Limitation of Liability"); and 16 ("General") will survive the expiration or early termination of this Agreement.

13. Representations and Warranties. Paciolan Client shall comply with all applicable laws with respect to the transactions contemplated by this Agreement. Paciolan Client represents and warrants that (i) it has full power and authority to enter into this Agreement and to perform all of its obligations hereunder and (ii) its entry into this Agreement does not violate any other agreement by which it is bound. EXCEPT AS EXPRESSLY STATED HEREIN, EACH PARTY DISCLAIMS ALL WARRANTIES AND CONDITIONS, EXPRESS, IMPLIED OR STATUTORY, INCLUDING WITHOUT LIMITATION THE IMPLIED WARRANTIES OF TITLE, NON-INFRINGEMENT, MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. Each party acknowledges that it has not entered into this Agreement in reliance upon any warranty or representation except those specifically set forth herein.

14. Indemnification. Paciolan Client will indemnify StubHub against any and all claims which StubHub may incur as a result of any third parties actions arising from or relating to infringement by the Paciolan Client Marks of a U.S. patent, copyright, trademark right or other intellectual property right of a third party or misappropriation of any third party trade secret, except where the Paciolan Client Mark has been modified by StubHub without authorization, and such modification is the basis of the claim. In addition, Paciolan Client will defend, indemnify and hold harmless Paciolan, StubHub and their parents, subsidiaries, and their officers, directors, employees and agents and their successors and assigns ("Indemnitee(s)") against any and all claims which Paciolan or StubHub, respectively, may incur as a result of any third party (including StubHub as to Paciolan's right to indemnify hereunder) actions arising from or relating to: (i) any breach of this Agreement by Paciolan Client or any of its officers, directors, employees and agents; (ii) use of the V&F Services (except, as to indemnification of StubHub, where the liability is due to StubHub's negligence or willful misconduct); (iii) any Qualifying Transaction (except, as to indemnification of StubHub, where the liability is due to StubHub's negligence or willful misconduct); and (iv) any violation of any law by Paciolan Client in connection with the transactions contemplated by this Agreement. The foregoing obligations are conditioned on the Indemnitee: (i) giving Paciolan Client notice of the relevant claim, (ii) cooperating with Paciolan Client, at Paciolan Client's expense, in the defense of such claim, and (iii) giving Paciolan Client the right to control the investigation, defense and settlement of any such claim, except that Paciolan Client will not enter into any settlement that affects the Indemnitee's rights or interest without the Indemnitee's prior written approval. The Indemnitee will have the right to participate in the defense at its expense.

15. Limitation of Liability. PACIOLAN SHALL NOT BE LIABLE FOR SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES OR LOST PROFITS (HOWEVER ARISING, INCLUDING NEGLIGENCE) ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT. IN NO EVENT WILL PACIOLAN BE LIABLE TO THE PACIOLAN CLIENT IN AN AMOUNT GREATER THAN ONE HUNDRED THOUSAND DOLLARS (\$100,000). THIS LIMITATION OF LIABILITY IS CUMULATIVE, WITH ALL PAYMENTS FOR CLAIMS OR DAMAGES IN CONNECTION WITH THIS AGREEMENT BEING AGGREGATED TO DETERMINE SATISFACTION OF THE LIMIT. THE EXISTENCE OF ONE OR MORE CLAIMS WILL NOT ENLARGE THE LIMIT.

16. GENERAL. This Agreement will be construed in accordance with and governed exclusively by the laws of the State of California applicable to agreements made among California residents and to be performed wholly within such jurisdiction, regardless of such parties' actual domiciles. Both parties submit to personal jurisdiction in California and further agree that any cause of action arising under this Agreement will be brought exclusively in a court in Orange County, CA. This Agreement does not create, and nothing contained in this Agreement will be deemed to establish a joint venture between the parties, or the relationship of employer-employee, partners, principal-agent or the like. Further, neither party will have the power to bind the other without the other's prior written consent, nor make any representation that it has any such power. Without the prior written consent of Paciolan, Paciolan Client shall not (i) directly or indirectly assign, transfer, pledge or hypothecate its rights or

obligations in this Agreement or any interest therein. Any such assignment shall not relieve Paciolan Client of any of its obligations hereunder. Without the prior written consent of Paciolan Client, Paciolan shall not assign or transfer its rights or obligations in this Agreement or any interest therein, except in the event of an assignment by Paciolan to any parent, subsidiary, affiliate or successor-in-interest (including, without limitation, a successor by virtue of an acquisition), in which event no such consent shall be required. Any assignment, transfer, pledge or hypothecation for which consent is required hereby and which is made without such consent shall be void. If any provision herein is held to be invalid or unenforceable for any reason, the remaining provisions will continue in full force without being impaired or invalidated in any way. The parties agree to replace any invalid provision with a valid provision that most closely approximates the intent and economic effect of the invalid provision. Headings are for reference purposes only and in no way define, limit, construe or describe the scope or extent of such section. If performance hereunder (other than payment) is interfered with by any condition beyond a party's control, such as an act of God, the affected party will be excused from such performance to the extent of such condition. Any notice under this Agreement will be in writing and delivered by personal delivery, overnight courier, confirmed facsimile, confirmed email, or certified or registered mail, return receipt requested, and will be deemed given upon personal delivery, one (1) day after deposit with an overnight courier, five (5) days after deposit in the mail, or upon confirmation of receipt of facsimile or email. Notices will be sent to a party at its address set forth above or such other address as that party may specify in writing pursuant to this section. This Agreement may be executed in two or more counterparts, each of which will be deemed an original and all of which together will constitute one instrument. This Agreement, including all documents referred to herein, sets forth the entire understanding and agreement of the parties, and supersedes any and all oral or written agreements or understandings between the parties. This Agreement may be changed only by a writing signed by both parties. The waiver of a breach of any provision of this Agreement will not operate or be interpreted as a waiver of any other or subsequent breach. In the event of a conflict between this Agreement and any attachments hereto, the terms in the Agreement shall control. For the avoidance of doubt, this Agreement does not in any way amend, modify or otherwise alter the terms and conditions of the primary ticketing agreement ("Ticketing Agreement") by and between Paciolan and Paciolan Client, which Ticketing Agreement shall remain in full force and effect per its terms. Neither party shall issue a press release, make any other public announcement or publish public materials regarding the subject matter herein, without the prior written approval of the other party.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the Effective Date.
